

Setting up a COVID-19 vaccination appointment

Even if you don't have internet or a smartphone, help is available!

Important note: Please choose **only one vaccination site**. Signing up at multiple locations causes confusion and could keep someone else from getting a vaccination.

● If you have internet

The Arkansas Department of Health (ADH) COVID-19 vaccination site map on their website, healthy.arkansas.gov, has links for online scheduling. All vaccination sites also list phone numbers to set up appointments.

● If you don't have internet

You can call the state's **COVID-19 Call Center** at **800-803-7847**, and a representative will help you locate a vaccination site and share phone numbers to call to set up an appointment.

If you need help signing up for a vaccination, you can call the state's new COVID-19 vaccination hotline at **800-985-6030**. They can schedule you at an upcoming vaccination event or direct you to a local pharmacy, where you can call for an appointment.

● If you're age 65+

Online scheduling – Check the ADH COVID-19 vaccination site map on their website.

Self-scheduling – The state's **COVID-19 Call Center** at **800-803-7847** can help you locate a vaccination site. You'll need to call the location yourself to set up an appointment.

Assisted scheduling – If you need help signing up for a vaccination, you can call the state's new COVID-19 vaccination hotline at **800-985-6030**. They can schedule you at an upcoming vaccination event or direct you to a local pharmacy, where you can call for an appointment.

The eight regional members of the **Arkansas Association of Area Agencies on Aging** can find a vaccination site near you and even get you scheduled – just call **866-739-7751** (They help Arkansans 50+). (**Note:** This full-service treatment may even be able to find you a ride to and from your vaccination appointments.)

● If you're employed

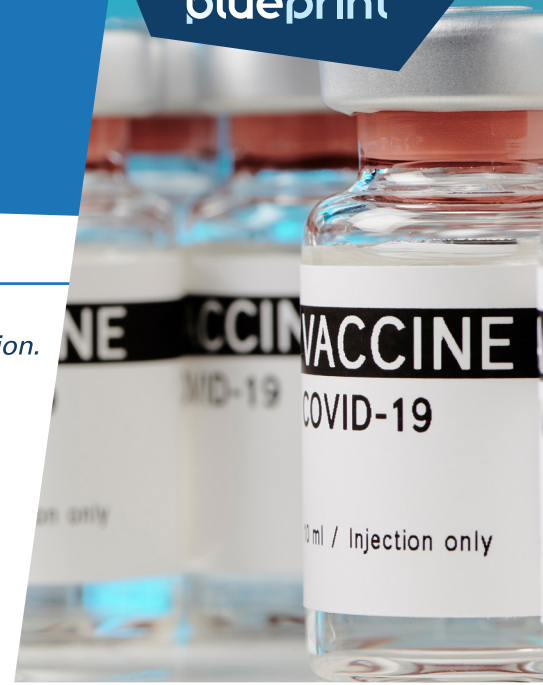

At work – Check with your employer to see if they are planning an on-site vaccination clinic.

Community pharmacies – You can check the ADH COVID-19 vaccination site map on their website or call the state's **COVID-19 Call Center** at **800-803-7847**.

If you need help signing up for a vaccination, you can call the state's new COVID-19 vaccination hotline at **800-985-6030**. They can schedule you at an upcoming vaccination event or direct you to a local pharmacy, where you can call for an appointment.

● What to take to your COVID-19 vaccination appointment

You should bring a photo ID and your **health plan member ID card** (and your pharmacy card, if it is separate). There's nothing to pay, but the staff will need your insurance coverage information to file a claim with your health plan.
