DELEGATION ORDER

I, Edward R. Armstrong, acting in my official capacity as the State Procurement Director, do hereby authorize the Arkansas Department of Health ("ADH") to contract for the procurement of Arkansas Statewide Prescription Drug Monitoring Program in accordance with the provisions of Arkansas Procurement Law and subject to the conditions and restrictions set forth herein. ADH may take all necessary steps and actions to contract for these services subject to the following conditions:

1. ADH shall, at a minimum, post notice of the solicitation on the OSP webpage; and
2. ADH shall designate the State Procurement Director to decide any protest of this solicitation.

Further, ADH will assume full responsibility conforming to all existing constitutional and statutory laws pertaining to the procurement of these two service contracts. Nothing herein is intended to prohibit the agency from requesting the assistance of the Office of State Procurement in the procurement of Arkansas Statewide Prescription Drug Monitoring Program and Referral.

Subject to my right to extend this period as needed, this delegation order will be in effect until June 30, 2021, unless sooner rescinded or revoked.

It is so ordered.

Edward R. Armstrong,
State Procurement Director
