AGENCY INSTRUCTIONS

1. The ordering agency will issue a purchase order to the desired contractor.
2. Create purchase order adopting the appropriate OA number.
3. Reference number #DASPS-2114-16 on all purchase orders.
4. There are no minimum or maximum ordering requirements.
5. Monthly Service and Set-up Fees: The State of Arkansas will not pay monthly service or set-up fees to use the contractor's services.
6. Construction & Installation Services: Eligible customer may determine if they want to use installation, site work and/or repair services as part of this agreement through an authorized service provider. The dealer must meet all the requirements given by the manufacturer for installation and/or services. Before services are performed the eligible customer will submit a detailed scope of work for the services requested. After reviewing the scope of work, the authorized dealer must provide a quote to the eligible customer detailing all costs. The eligible customer must approve cost and timeline before any services are provided. Charges for services are not to exceed 10% of the cost of the equipment being installed.
7. State agencies under the jurisdiction of the Division of Building Authority (DBA) must call (501) 682-1833 to ensure adherence to all bidding laws and rules for all capital improvements projects valued at more than \$35,000.00 and adherence to design professionals' laws and rules for projects valued at more than \$25,000 (licensed Engineers) and valued more than \$100,000 (licensed Architects). Failure to adhere to laws and rules exposes your agency to litigation/audit exceptions.
