School Retirement Packet
## Retirement Basics

For members getting ready to retire, the boxes below can give you an overview of the process to enroll in retiree health coverage through ARBenefits.

### Eligibility

To be eligible for ARBenefits retiree coverage, employees must:

1. Be an active member on the ARBenefits plan the last day of their employment; and
2. Be eligible to begin drawing an annuity through their retirement system.

Former members who are retiring, are held to the retirement eligibility rules in place when they left employment.

### Options

Eligible employees can enroll in retiree coverage when they leave employment, or:

- If a member gains other group coverage when they retire, the member can enroll in retiree coverage at a later date when they lose that group coverage.
  - Will need to provide proof they have had continuous other group coverage without any lapses.
- If a member is not eligible to begin their annuity when they retire, they can elect COBRA for 18 months. The member has 30 days to enroll in retiree coverage when they become eligible for their annuity, or else they will have to wait until their COBRA coverage ends.

### Enrollment

To enroll in ARBenefits retiree health coverage, members can submit the ARBenefits Retirement Election Packet to EBD starting:

**30 days prior to retirement health effective date**

The Retirement Election Packet is available in the Forms and Publications section of www.ARBenefits.org. Employees can also get the packet by contacting EBD, or their agency/school district Health Insurance Representative (HIR).

Retirees can submit the packet to the fax number or mailing address listed at the bottom of the election form.

### Retirement Election Packet

The ARBenefits Retirement Election Packet includes:

- ARBenefits Retiree Election Form
- Authorization to Release Information
- ARBenefits Spousal Affidavit
- Colonial Life Retiree Deduction Authorization

To continue coverage for any spouse and/or dependent children on their plan, retirees need to submit a marriage license, spousal affidavit, and birth certificates for dependent children if not already on file at EBD.

### Retiree Election Form

On the ARBenefits Retiree Election Form, make sure you complete the boxes in section 1 for: Event, Event Date and Date Annuity Begins.

**Event:** Retirement  
**Event Date:** Last day of employment  
**Date Annuity Begins:** The date you start drawing your annuity from your retirement agency.

*Your enrollment cannot be processed if these fields are left blank.*

### Medicare

If you are Medicare eligible when you retire, you need to provide EBD a copy of your Medicare card that shows Parts A & B coverage.

Retirees who become Medicare eligible after they retire will also need to submit a copy of their Medicare card to EBD.

ARBenefits is secondary coverage to Medicare for Medicare eligible retirees, and will pay as secondary whether the retiree has Medicare in effect or not.

Medicare eligible retirees who do not have Medicare coverage in effect (Parts A & B), will have more financial responsibility for their medical claims.

### Life Insurance

If you want to continue any Colonial Life coverage in retirement, make sure you complete and submit the Retiree Deduction Authorization included in the retirement election packet.

This is true even if you are not electing to enroll in retiree health coverage.

If you retire, and Colonial Life does not receive your election to continue your life coverage within 31 days, you cannot regain that coverage at a later date.

### Retiree Dental + Vision

ARSEBA offers a retiree dental, and a retiree dental & vision plan to both state and public school retirees. Retirees must reside in the state of Arkansas.

The plans are post-tax, and payment is through bank draft.

For more information, or to enroll visit www.mysmilecoverage.com/SOAR
When will you receive your first retirement check?
What is the date you plan on retiring?

Retirement: You have 30 days from your qualifying event to enroll in a retirement health insurance plan and must have had active health insurance on your last day of employment.

Event date: Your last day of employment
Date annuity begins: When you start drawing your retirement check.
Action requested: Enroll in the plan
Retirement system: Mark which retirement system you are with APERS or ATRS, etc.
Benefit option: Choose which plan you wish to enroll in.
  • If you or covered spouse is Medicare eligible, you will choose Premium plan. One can be Medicare eligible due to age—65 or older—or due to disability. Please include a copy of the Medicare card as soon as possible.
  • If you and covered spouse are not Medicare eligible, you choose your Benefit Option, Premium, Classic, or Basic
Coverage level: Retiree only, Retiree and spouse, Retiree and child(ren), or Retiree and family
Dependents: Please enter eligible dependents’ information only.
  • Eligible dependents are those that were on your active health insurance on your last day of employment.

Sign and date your form/application and enter your email address.
Effective date is the first day of the month following the date of your application for your retirement health insurance.

APERS Retirees:
If your form/application is not processed by the 14th of the month prior to your retirement date, your premium will not be deducted for that month. You will need to mail in your first month’s premium along with your retirement election form. APERS deductions will begin the next month.

  • For example: Retirement date 2/1/2020, your form is processed on 1/16/2020, your deduction begins 3/1/2020, you will need to mail in February’s health insurance premium.

If your form is processed the month of retirement, you may need to send in 2 months' premiums.

  • For example: Retirement date 2/1/2020, your form is processed on 2/15/2020, deduction begins 4/1/2020, you will need to mail in February and March health insurance premiums.
Qualifying Events To Enroll In Retirement Health Insurance

Current Employee

• You must be drawing a retirement annuity check for fully vested service with a State or Public-School agency.

• You must be on the Health Plan as an active employee your last day of employment.

• You must apply within 30-days of your loss of coverage.

• You must fully complete a Retirement Health Insurance Election Form. This includes the boxes in Part 1, "Event, Date of Event, Date Annuity Begins". Form will not be processed without these three boxes being completed.

• If you must have your premium bank drafted because your annuity is not large enough, you must complete a Bank Draft Authorization and submit with a VOIDED check attached. We no longer accept copies of the checks or faxed forms with the check.

• We require a copy of your Medicare Card, if you and/or your spouse are Medicare eligible.

• If continuing coverage on a spouse, we require an updated Spousal Affidavit and a copy of your Marriage License. Coverage for dependent children we require a copy of the Birth Certificate.

• We will not accept forms more than 30-days prior to the effective date.

• Arkansas Legislative Law allows a retiree a one-time option to enroll in the Retirement Health Insurance. If you enroll and then cancel coverage, you are not eligible to come back to the plan. Your decision to cancel is FINAL.
MEDICARE RETIREE and/or SPOUSE

It is the responsibility of the retired employee to notify Employee Benefits Division (EBD) when either they or their spouse become eligible for Medicare by sending in a copy of their Medicare card. Entitlement to Medicare Part A is normally issued at age 65, however, you may have Medicare Part A due to Disability or End Stage Renal Disease (ESRD).

EBD is required to be primary payer for a period of thirty (30) months for members on Medicare due to ESRD. During this 30-month period of coverage members will pay the non-Medicare premium rate. It is very important that you notify EBD of your coverage due to ESRD so the correct premiums will be deducted. Failure to notify EBD could result in the member being responsible for the difference in back premiums if their Medicare information is not entered correctly.

If claims are processed incorrectly, it will result in paid medical and/or pharmacy claims being overturned and the member being required to have the claims refiled under Medicare. Medicare claims must be filed no later than 12 months (or 1 full calendar year) after the date when the services were provided. If a claim is not filed within this time limit, Medicare cannot pay its share and you will become responsible for payment of the claims.

Medicare will often retro the effective date of Medicare coverage back to an earlier date. If Medicare does retro the coverage, then we are required to change our records back to the Medicare effective date. The change may result in a refund of premiums, or a charge for the difference in premiums, back to the begin date of Medicare Part A.

The ARBenefits Medicare Premium Plan for Retirees will coordinate as if Medicare Part A and Part B are both in force at the time of service. If the member does not have Part B, the Plan will pay as though the member does have Medicare Part B and the member will have full financial responsibility for incurred claims.
AR Benefits Medicare Premium Plan for Retirees
Medicare Information Fact Sheet

- **Medicare Part A** (hospital insurance) does not usually require recipients to pay a monthly premium. Medicare Part A includes coverage for:
  - Inpatient hospital stays
  - Hospice care
  - Skilled nursing facility care
  - Some home health care

- **Medicare Part B** (physician insurance) is optional and usually requires a monthly premium. Medicare Part B includes coverage for:
  - Certain doctor services
  - Outpatient care/Medical supplies
  - Preventative services

Your Medicare Premium Plan for Retirees benefit coverage coordinates with your Medicare Part A & B benefits. To minimize your financial responsibility, we want to make sure that you understand that we will pay your physician claims like you have Medicare Part B coverage even if you choose to not participate with Part B.

- **Medicare Part C** (Medicare Advantage) is not administered by the federal government. Instead, it is sold by private insurance companies as a replacement for Original Medicare Part A and Part B benefits. **Note: Since Medicare Part C replaces traditional Medicare coverage, ARBenefits cannot coordinate as a secondary plan. Therefore, a member does not need to purchase coverage with both Medicare Part C and ARBenefits Medicare Premium Plan.**

- **Medicare Part D** (prescription drug plan) is sold through private insurance companies. We do not coordinate pharmacy benefits. If you elect Part D coverage and you have our pharmacy benefits, you will be responsible for any Part D repayment request. Medicare-Primary Public School Retirees do not have prescription drug coverage under the ARBenefits Plan and should choose a Part D option to retain prescription drug coverage.

I authorize deductions of the required contributions (if applicable). I understand that my elections can only be changed if I have a qualifying status change event as defined in the ARBenefits Summary Plan Description. I understand I must request such changes within 30 days of the qualifying event. On behalf of myself and anyone enrolled on or added to this form, I authorize any health care professional or entity to give the health plan/insurer or any of their designees, any and all records or information pertaining to medical history or services rendered to the health plan/insurer, for any administrative purpose, including evaluation of an application or a claim. I also authorize on behalf of health plan/insurer the use of a Social Security Number for the purpose of identification. A photocopy of this authorization will be as valid as the original. Please note that falsifying documents, misrepresenting dependent status or using other fraudulent actions to gain coverage may be criminal acts and can lead to permanent termination of coverage. I understand by signing the election form, it means I have read and agree with the attached instruction page and understand the options I chose on the election form.

## SUBMISSION TO EBD IS FINAL

ARBenefits • Department of Finance and Administration • Employee Benefits Division
Post Office Box 15610 • Little Rock, AR 72231-5610 • Fax: 501.682.1200
ALL PORTIONS OF THE ELECTION FORM MUST BE COMPLETED OR IT WILL BE SENT BACK FOR COMPLETION PRIOR TO PROCESSING.

NOTE: Retirees or dependents that are Medicare Primary may only enroll in the Premium Plan option. QualChoice is the carrier for the Medicare Primary Premium Plan. A copy of the Medicare card is required for any subscriber and/or spouse.

Note: The ARBenefits Medicare Plan for Retirees will coordinate as if Medicare Part A and Part B are both in force at the time of service. If the member does not have Part B, the plan will pay as though the member does have Part B, and the member will have full financial responsibility for incurred claims.

Public School Retirees with Medicare do not have pharmacy benefits through this plan. You will be required to obtain a Medicare Part D plan for your pharmacy needs.

Bank Draft Authorization Form, with VOIED check attached, is needed if your retirement annuity is not large enough for your premium deduction. WE CANNOT PROCESS WITHOUT A VOIED CHECK.

Your premiums are post-tax.

If you cancel your retirement insurance to leave the plan other than gaining employment with a state or public school agency, the decision is final and you cannot come back to the plan.

RECIROCITY SERVICE
- A retiree who is fully vested as a state employee AND fully vested as a public school employee (a participating member under both APERS and ATRS and drawing a retirement annuity from each) may choose to enroll in either the ASE or PSE retiree health plan.
- A retiree who is not fully vested under either system, but has enough time between the two systems to be eligible for reciprocity service will be enrolled in the retiree health plan of the system with the most service.

VESTING
- State and Public School retirees changed from a ten (10) year vesting to a five (5) years vesting effective 7/01/1997.
- Retirees with service prior to 7/01/1997 are still held to the ten (10) year vesting.
- Non-teaching school retirees that are paid under Arkansas Public Employees Retirement System (APERS) have school rates.
- Most College employed retirees and County retirees are not eligible under the State & Public School Retirement Health Insurance. Reciprocity services from these agencies do not make a retiree eligible for the health insurance.

Proof of dependent eligibility is required. Examples of required documentation are: birth certificates, marriage licenses, court documents and a Certificate of Credible Coverage for loss of coverage. The effective date is the first of the month following the date on the Election Form.

If this form is not received by Colonial Life & Accident Insurance Company before the monthly pension deduction deadline, a direct bill will be mailed to you. Failure to pay this bill may result in cancelled coverage. Once the initial bill is paid, monthly deductions from your pension check will automatically begin. In the event my retirement annuity does not have sufficient funds for premium deduction, a Bank Draft Authorization form, along with a voided check must be attached. Premiums paid will be post-tax. I understand that my elections can only be changed if I have a qualifying status change event and that I must request such changes within 60 days of the qualifying event.

I hereby authorize you to deduct from my retirement check such amounts as necessary to pay the premiums for my life insurance plan. I further authorize you to pay such amounts to the insurance company providing such insurance or its authorized representative. This authorization remains in effect until you receive notice from me in writing that it has been changed or revoked.

Group Term Life Insurance with Accidental Death & Dismemberment (AD&D) Insurance for Retired* Employees

How secure is your family’s financial future without you?

If something happened to you, would your family be able to maintain their way of life? How would they cover ongoing living expenses? Colonial Life’s group term life insurance can help provide financial security for your family.

Why is group term life insurance a good option?

- Death benefit protection
- Lower cost option
- Coverage for specified periods of time, which can be during high-need years
- Benefit is typically paid tax-free to your beneficiaries

AD&D insurance provides benefits to help cover the additional expenses associated with an accidental death, as well as the high costs of recovery and rehabilitation required by an accidental dismemberment.

The AD&D full benefit amount is equal to your group term life insurance death benefit amount.

The following benefits are paid under the AD&D benefit:

<table>

<tr>
<th>If the loss is:</th>

EXCLUSIONS AND LIMITATIONS

Losses Not Covered Under Your Life Insurance Benefit:

Your life insurance benefit does not cover any losses where death is caused by, contributed to by, or results from suicide occurring within 24 months after a covered person’s initial effective date of insurance or after the date any increases or additional insurance becomes effective, whether sane or insane.

This applies to any amounts of insurance for which you pay all or part of the premium.

This applies to any amount subject to evidence of insurability requirements and we approve the evidence of insurability form and the amount you applied for at that time.

You will be given credit for any period of time applied toward the satisfaction of the suicide provision, if any, under your Employer’s prior group life insurance plan.

Losses Not Covered Under the AD&D Insurance Benefit:

Your AD&D benefit does not cover any losses that are caused by, contributed to by, or resulting from:

- an attempt to commit or commission of suicide or intentional self-inflicted injury while sane or insane;
- active participation in a riot;
- an attempt to commit or commission of a felony or engaging in an illegal occupation;
- voluntary use of any drugs, poisonous substance, intoxicant or narcotic, except any drugs taken as prescribed by a physician and taken as prescribed. Accidental exposure to any poisonous substance will not be excluded;
- the presence of that percentage of alcohol in the covered person’s blood which raises a presumption that the covered person was under the influence of alcohol. The blood-alcohol level which raises this presumption is governed by the laws of the state in which the accident occurred;
- disease of the body, mental infirmity or diagnostic, medical or surgical treatment;
- being exposed to war or any act of war, declared or undeclared, or serving in the armed forces of any country or authority. Losses as a result of acts of terrorism or nuclear release committed by individuals or groups will not be excluded from coverage unless the covered person who suffered the loss committed the act of terrorism or nuclear release; or
- investigational or experimental procedures, surgery, or drugs, including complications arising from having experimental or investigative procedures, surgeries, or drugs.

Termination

Coverage terminates:

- if the group policy ends;
- the date you no longer meet eligibility requirements;
- the end of the grace period if we do not receive the required premium for your insurance; or
- the date the next premium is due after you ask us to end your coverage.

Premium will vary based on plan options and face amount.

Applicable to policy number GTL1.0-P-AR-SOA and certificate number GTL1.0-C-AR-SOA.

This is not an insurance contract and only the actual policy provisions will control.
