Authorization and Certification

I accept the terms of the ConnectYourCare HSA enrollment form. I understand that:

- I am authorizing my employer to reduce my compensation by the amount specified. I understand the HSA election I have made will remain in place from year-to-year until I notify my employer of a change to my HSA election.
- I must report any administrative errors to my payroll administrator or HR department within 10 days of my first payroll deduction of the plan year.

I will receive a ConnectYourCare Payment Card to access funds in my account. I certify that:

- The card will only be used for eligible medical expenses.
- Claims I pay with the card have not been reimbursed and I will not seek reimbursement from any other plan covering health or dependent care benefits.

*The total combined amount of both employer and employee contributions cannot exceed IRS maximum contribution limits. For 2022, the limits are \$3,650 for self-only coverage, and \$7,300 for family coverage. There is an additional \$1,000 'catch-up' contribution amount available to those age 55 and older.

IRS regulations are indexed annually for inflation. If you want to contribute the total annual amount for a tax year in which you were only HSA eligible for a portion of that year, you must remain HSA eligible through the end of the next tax year or face tax penalties.
