2023 ARBenefits Public School Retiree Packet

Employee Benefits Division – ARBenefits PO Box 15610 · Little Rock, AR 72231 · 877-815-1017

Updated: 3.24.2023

Eligibility

To be eligible for ARBenefits retiree coverage, you must:

- 1. Be an active member of the ARBenefits plan on the last day of your employment; and
- 2. Be eligible to begin drawing an annuity through their retirement system.

Former members who are retiring are held to the retirement eligibility rules in place when they leave employment.

You can enroll in retiree coverage within 30 days of leaving active employment. If you gain other group coverage when you retire, you can enroll within 30 days of losing that coverage. If you are not eligible to begin your annuity when your retire, you can elect COBRA and enroll within 30 days of becoming eligible for an annuity; otherwise, you will have to wait to enroll after your COBRA coverage ends.

Enrolling in Retiree Coverage

Plan Options

Non-medicare retirees can enroll in either the Premium, Classic or Basic Plan. Medicareeligible, retirees can enroll in either the ARBenefits Group MAPD PPO Plan or the ARBenefits Medicare Primary Plan.

The ARBenefits Group Medicare Advantage PPO Plan differs from other Medicare plans you might see advertised and is specifically designed for state and public school retirees. You will see significant savings in your monthly premiums and have additional benefits, including:

- the ability to see any provider (in or out of network) as long as they accept Medicare
- free gym membership
- enhanced hearing and vision benefits
- dental and drug coverage

Completing the Retiree Election Form

You have 30 days from your qualifying event to enroll in a retirement health insurance plan. You must submit this form by mail or fax to be enrolled in retiree coverage, and we will only accept forms sent 30 days before your retirement health effective date.

Event date: Your last day of employment

Date annuity begins: When you start drawing your retirement check.

Action requested: Enroll in the plan.

Retirement system: Mark which retirement system you are with, APERS or ATRS, etc.

Benefit option: Choose which plan you wish to enroll.

 If you or your covered spouse is Medicare eligible, you/your spouse can choose from the ARBenefits Group MAPD Plan (administered by UnitedHealthcare) or the ARBenefits Medicare Premium Plan. One can be Medicare eligible due to age—65 or older—or due to disability. Please include a copy of the Medicare card as soon as possible. • If you and your covered spouse are not Medicare eligible, you can choose the Premium, Classic, or Basic Plan.

Coverage level: Retiree only, Retiree and spouse, Retiree and child(ren), or Retiree and Family Dependents: Only dependents on your active health plan can be added as a dependent on your retiree plan.

Sign and date your form/application and enter your email address. The effective date is the first day of the month following the date of your application for your retirement health insurance.

Please note: You can only be enrolled in one Medicare Advantage Plan or one Medicare Prescription Drug Plan at a time. In addition, with limited exceptions, you cannot be enrolled in a Medicare Advantage Plan and a stand-alone Medicare Prescription Drug Plan simultaneously. If you enroll in any other Medicare Advantage Plan or Medicare Prescription Drug Plan, you may be disenrolled from the ARBenefits Group Medicare Advantage Plan.

Arkansas Legislative Law allows a retiree a one-time option to enroll in the State and Public-School Retirement Health Plan. Enrollment is either at the time of eligibility or delayed enrollment due to current coverage on an employer-sponsored group health plan with a qualifying event of involuntary loss of coverage. Once you enroll in the plan and then leave, you will no longer be eligible for participation in the plan. The decision is FINAL.

Additional Items Needed for Enrollment

In this packet are additional forms that may require your attention, including:

- Retiree Election form: This is the general form that all retirees must complete to have coverage.
- Authorization to Release Information: Allows authorization for another individual to access your medical information.
- ARBenefits Spousal Affidavit: This must be completed to add your spouse to the plan.
- Colonial Life Retiree Deduction Authorization: If you want to continue Colonial Life Coverage, you must complete this form.
- Bank Draft Authorization Form: If your annuity is not large enough to cover your premium, or you would like your premiums drafted from your bank account, you will need to submit this form.

Please note: The first premium must come from your annuity.

To continue coverage for any spouse and/or dependent children on their plan, retirees need to submit a marriage license, spousal affidavit, and birth certificates for dependent children if not already on file at EBD.

If you are Medicare eligible when you retire, you need to provide EBD a copy of your Medicare card that shows Parts A & B coverage. If you become Medicare-eligible after retirement, you must submit a copy of your Medicare card to EBD.

Retiree Open Enrollment

Medicare retirees have an Open Enrollment period where they can switch plans. Once you change your plan, you cannot switch plans until the following Open Enrollment period.

Life, Dental and Vision

Dental and Vision

For retirees not on the ARBenefits Group MAPD Plan, dental and vision are provided through the Arkansas State Employee Benefit Advisors (ARSEBA). For more information or to enroll, visit www.mysmilecoverage.com/SOAR. For retirees on the ARBenefits Group MAPD, dental and vision coverage includes an annual eye exam, a \$150 annual allowance for glasses or contacts (not related to cataract surgery), and dental (review plan for allowances).

Life Insurance

If you want to continue any Colonial Life coverage in retirement, complete and submit the Retiree Deduction Authorization included in the retirement election packet. This is true even if you are not electing to enroll in retiree health coverage. If you retire and Colonial Life does not receive your election to continue your life coverage within 31 days, you cannot regain that coverage later.

Medicare Retirees

Coverage due to ESRD

Entitlement to Medicare Part A is usually issued at age 65; however, you may have Medicare Part A due to Disability or End Stage Renal Disease (ESRD).

EBD is required to be the primary payer for a period of thirty (30) months for members on Medicare due to ESRD. During these 30 months of coverage, members will pay the non-Medicare premium rate.

You must notify EBD of your coverage due to ESRD in order for the correct premiums to be deducted. Failure to notify EBD could result in the member being responsible for the difference in back premiums if their Medicare information is incorrectly entered.

If claims are processed incorrectly, it will result in paid medical and/or pharmacy claims being overturned, and the member must have the claims refiled under Medicare.

Medicare claims must be filed no later than 12 months (or one full calendar year) after the services were provided. If a claim is not filed within this time limit, Medicare cannot pay its share, and you will become responsible for payment of the claims.

Medicare will often retro the effective date of Medicare coverage back to an earlier date. If Medicare does retro the coverage, we must change our records to the Medicare effective date. The change may result in a refund of premiums, or a charge for the difference in premiums, back to the beginning date of Medicare Part A.

Coordination of Benefits with Medicare

The ARBenefits Group MAPD PPO Plan includes the benefits of Medicare Part A, B, and D. The ARBenefits Medicare Premium Plan will coordinate as if Medicare Part A and Part B are both in force at the time of service. If you do not have Part B, the Plan will pay as though you have Medicare Part B, and you will have full financial responsibility for incurred claims.

Medicare Part A (hospital insurance) does not usually require recipients to pay a monthly premium. Medicare Part A includes coverage for:

Medicare Part B (physician insurance) is optional and usually requires a monthly premium. Medicare Part B includes coverage for:

- Inpatient hospital stays
- Hospice care
- Skilled nursing facility care
- Some home health care

- Certain doctor services
- Outpatient care/Medical supplies
- Preventative services

The ARBenefits Medicare Premium Plan coordinates with your Medicare Part A & B benefits. To minimize your financial responsibility, EBD will pay your physician claims like you have Medicare Part B coverage even if you choose not to participate in Part B.

Example of Patient Responsibility/Liability with and without Medicare Part B:

Our Payment with Medicare Part B

Office Visit \$150.00 Medicare Approved \$110.00 Medicare Payment \$88.00 Medicare Write-off \$40.00 ARBenefits Payment \$22.00

Member Amount Due \$0.00

Our Payment without Medicare Part B

Office Visit \$150.00 Medicare Approved \$110.00 Medicare Payment \$0.00 Medicare Write-off \$40.00

ARBenefits Payment \$22.00 Member Amount Due \$88.00

Medicare Part C (Medicare Advantage) is not administered by the federal government. Instead, it is sold by private insurance companies as a replacement for Original Medicare Part A and Part B benefits. Note: Since Medicare Part C replaces traditional Medicare coverage, ARBenefits cannot coordinate as a secondary plan. Therefore, a member does not need to purchase coverage with Medicare Part C and ARBenefits Medicare Premium Plan.

Medicare Part D (prescription drug plan) is sold through private insurance companies, and we do not coordinate pharmacy benefits. Part D coverage is included if you are on the ARBenefits Group Medicare Advantage Plan (PPO). Public school retirees can sustain drug coverage through Part D if on the ARBenefits Medicare Primary Plan.

Coordination of Benefits with Medicare

- The ARBenefits Medicare Premium Plan for Retirees will coordinate as if Medicare Part A and Part B are both in force at the time of service. If the member does not have Medicare Part B, the Plan will pay as though the member does have Part B and the member will have full financial responsibility for incurred claims.
- The Plan will cover services for our Medicare Primary members as for our active and non-Medicare members. If Medicare does not cover a particular vaccine/service/etc., the plan will cover the service at the Premium plan level if coverage is provided for our active and non-Medicare members.
- Coverage will be determined based on the level of coverage outlined in the SPD for active and non-Medicare members - services paid at 100% will be no-charge. For all other services deductible, copay and coinsurance will apply when applicable.
- All physician, hospital, and medical services offered to Medicare Primary Retirees on the ARBenefits Plan are subject to the provisions of the Schedule of Benefits listed in the Summary Plan Description. The ARBenefits Plan does not allow all services allowed by Medicare. Please review the SPD carefully to determine if a service is covered.

Instruction Page

ALL PORTIONS OF THE ELECTION FORM MUST BE COMPLETED OR IT WILL BE RETURNED FOR COMPLETION PRIOR TO PROCESSING TO ENSURE ACCURACY.

NOTE: As a Medicare eligible retiree of the State of Arkansas you will be enrolled in the ARBenefits Group Medicare Advantage Plan (MAPD) with the option to opt-out and enroll the Medicare Primary Premium Plan option. Currently, United Health Care is the carrier for the MAPD plan and Health Advantage is the carrier for the Medicare Primary Premium Plan. Each Member is required to maintain Medicare Part A and Part B coverage. A copy of the Medicare card is required for any subscriber and/or spouse/dependent.

ARBenefits Medicare Primary Premium Plan for Retirees will coordinate as if Medicare Part A and Part B are both in force at the time of service. If the member does not have Part B, the plan will pay as though the member does have Part B, and the member will have full financial responsibility for incurred claims.

Public School Retirees that opt-out of the ARBenefits Group MAPD plan and choose the Medicare Primary Premium Plan will not have pharmacy benefits through this plan. You will be required to obtain a Medicare Part D plan for your pharmacy needs.

Bank Draft Authorization Form, with VOIDED check attached, is needed if your retirement annuity is not large enough for your premium deduction. WE CANNOT PROCESS WITHOUT A VOIDED CHECK.

Your premiums are post-tax.

If you cancel your retirement insurance to leave the plan, other than gaining employment with a state or public school agency, the decision is final and you cannot come back to the plan.

RECIPROCITY SERVICE

- A retiree who is fully vested as a state employee AND fully vested as a public school employee (a participating member under both APERS and ATRS and drawing a retirement annuity from each) may choose to enroll in either the ASE or PSE retiree health plan.
- A retiree who is not fully vested under either system, but has enough time between the two systems to be eligible for reciprocity service will be enrolled in the retiree health plan of the system with the most service.

VESTING

- State and Public School retirees changed from a ten (10) year vesting to a five (5) years vesting effective 7/01/1997.
- Retirees with service prior to 7/01/1997 are still held to the ten (10) year vesting.
- Non-teaching school retirees that are paid under Arkansas Public Employees Retirement System (APERS) have school rates.
- Most College employed retirees and County retirees are not eligible under the State & Public School Retirement Health Insurance. Reciprocity services from these agencies do not make a retiree eligible for the health insurance.

Proof of dependent eligibility is required. Examples of required documentation are: birth certificates, marriage licenses, court documents and a Certificate of Credible Coverage for loss of coverage. The effective date is the first of the month following the date on the Election Form.

How secure is your family's financial future without you?

If something happened to you, would your family be able to maintain their way of life? How would they cover ongoing living expenses? Colonial Life's group term life insurance can help provide financial security for your family.

Why is group term life insurance a good option?

- Death benefit protection
- Lower cost option
- Coverage for specified periods of time, which can be during high-need years

The AD&D full benefit amount is equal to your group term life insurance death benefit amount.

If the loss is:	% of the full amount paid
Loss of life	100%
Loss or loss of use of both hands or both feet or sight of both eyes	100%
Loss or loss of use of one hand and one foot	100%
Loss or loss of use of one hand and sight of one eye	100%
Loss or loss of use of one foot and sight of one eye	100%

Loss or loss of use of one hand or one foot	50%
Loss of sight of one eye	50%
Loss of speech or hearing	50%
Loss of thumb and index finger of the same hand	25%

Additional benefits and services:

Seatbelts and Airbags – Pays if the cause of death or dismemberment is a car accident and if the covered person was using a seatbelt or airbag.

Built-in accelerated death benefit provides an advance of up to 75% of the death benefit, to a maximum of \$150,000, if the covered person is diagnosed with a terminal illness.¹

This applies to any amounts of insurance for which you pay all or part of the premium.

This applies to any amount subject to evidence of insurability requirements and we approve the evidence of insurability form and the amount you applied for at that time.

- active participation in a riot;
- an attempt to commit or commission of a felony or engaging in an illegal occupation;

- disease of the body, mental infirmity or diagnostic, medical or surgical treatment;
- being exposed to war or any act of war, declared or undeclared, or serving in the armed forces of any country or authority. Premium will vary based on plan options and face amount.

Applicable to policy number GTL1.0-P-AR-SOA and certificate number GTL1.0-C-AR-SOA. This is not an insurance contract and only the actual policy provisions will control.

FREQUENTLY ASKED QUESTIONS

Who is eligible for coverage under a Delta Dental Individual and Family plan?

You must be an Arkansas resident and a State of Arkansas Retiree Program member to be eligible for coverage. Acceptance is guaranteed regardless of age, dental history or pre-existing conditions.

What are the age limitations for dependent children?

Dependent children can continue coverage until the end of the month in which they turn 26.

What services are NOT covered under this plan?

For a complete list of services not covered, please visit our website to view the Schedule of Benefits. General services that are not covered include:

- Tooth implants
- · Tooth whitening
- Athletic mouth guards
- Braces and retainers
- Treatment for TMJ (temporomandibular joint disturbances)
- Services to correct cosmetic dentistry
- Dental care started prior to the date the patient became covered under this plan

WHY DENTAL INSURANCE?

People with dental insurance typically visit the dentist more often than those without, resulting in better dental and overall health.

Besides keeping your smile healthy, your dentist can also help identify more than 120 signs and symptoms of non-dental diseases —including heart disease and diabetes—before they become larger problems.¹

Prevention costs less than treatment. Most dental plans, such as Delta Dental Individual and Family, encourage prevention by covering the cost of exams, cleanings, X-rays and more in order to help prevent dental disease rather than to perform expensive, and sometimes painful, restoration work later.
