

Group Term Life Insurance with Accidental Death & Dismemberment (AD&D) Insurance for Retired* Employees

How secure is your family's financial future without you?

If something happened to you, would your family be able to maintain their way of life? How would they cover ongoing living expenses? Colonial Life's group term life insurance can help provide financial security for your family.

Why is group term life insurance a good option?

- Death benefit protection
- Lower cost option
- Coverage for specified periods of time, which can be during high-need years
- Benefit is typically paid tax-free to your beneficiaries

AD&D insurance provides benefits to help cover the additional expenses associated with an accidental death, as well as the high costs of recovery and rehabilitation required by an accidental dismemberment.

The AD&D full benefit amount is equal to your group term life insurance death benefit amount.

The following benefits are paid under the AD&D benefit:

If the loss is:	% of the full amount paid
Loss of life	100%
Loss or loss of use of both hands or both feet or sight of both eyes	100%

EXCLUSIONS AND LIMITATIONS

Losses Not Covered Under Your Life Insurance Benefit:

Your life insurance benefit does not cover any losses where death is caused by, contributed to by, or results from suicide occurring within 24 months after a covered person's initial effective date of insurance or after the date any increases or additional insurance becomes effective, whether sane or insane.

This applies to any amounts of insurance for which you pay all or part of the premium.

This applies to any amount subject to evidence of insurability requirements and we approve the evidence of insurability form and the amount you applied for at that time.

You will be given credit for any period of time applied toward the satisfaction of the suicide provision, if any, under your Employer's prior group life insurance plan.

Losses Not Covered Under the AD&D Insurance Benefit:

Your AD&D benefit does not cover any losses that are caused by, contributed to by, or resulting from:

- an attempt to commit or commission of suicide or intentional self-inflicted injury while sane or insane;
- active participation in a riot;
- an attempt to commit or commission of a felony or engaging in an illegal occupation;
- voluntary use of any drugs, poisonous substance, intoxicant or narcotic, except any drugs taken as prescribed by a physician and taken as prescribed. Accidental exposure to any poisonous substance will not be excluded;
- the presence of that percentage of alcohol in the covered person's blood which raises a presumption that the covered person was under the influence of alcohol. The blood-alcohol level which raises this presumption is governed by the laws of the state in which the accident occurred;
- disease of the body, mental infirmity or diagnostic, medical or surgical treatment;
- being exposed to war or any act of war, declared or undeclared, or serving in the armed forces of any country or authority. Losses as a result of acts of terrorism or nuclear release committed by individuals or groups will not be excluded from coverage unless the covered person who suffered the loss committed the act of terrorism or nuclear release; or
- investigational or experimental procedures, surgery, or drugs, including complications arising from having experimental or investigative procedures, surgeries, or drugs.

Termination

Coverage terminates:

- if the group policy ends;
- the date you no longer meet eligibility requirements;
- the end of the grace period if we do not receive the required premium for your insurance; or
- the date the next premium is due after you ask us to end your coverage.

Premium will vary based on plan options and face amount.

Applicable to policy number GTL1.0-P-AR-SOA and certificate number GTL1.0-C-AR-SOA.

This is not an insurance contract and only the actual policy provisions will control.
