MICROSOFT LEARNING DAYS

Thank you all for coming out to our Microsoft Learning Days in December.

SCSO CENTER OF EXCELLENCE

Arkansas State Cybersecurity Office (SCSO) aims to lead and optimize cybersecurity for the Arkansas public sector. To achieve this mission, SCSO is introducing the SCSO Center of Excellence, a dynamic training and collaboration hub that fosters cooperation among state agencies. Through cutting-edge simulations, hands-on exercises and continuous innovation. The Center of Excellence lab empowers state cybersecurity professionals to fortify the state's defenses, respond effectively to evolving threats and advance the collective resilience of our technology infrastructure.

Additional information for the Center of Excellence is coming soon.
