Re: Groundskeeping Materials RFP (National Cooperative)

Dear Mr. Nicoll,

It is my pleasure to inform you that Harrell's LLC has been selected to receive the award from RFP-RH-23-037 for Groundskeeping Materials for the City of Rochester Hills and in partnership with OMNIA Partners extending the contract nationally to other public agencies.

Attached is the City's contract agreement. Please review and sign but do not date the agreements. Once I receive the signed agreements with original signatures, I will forward to the Mayor for his signature and at that time, I will date them and send you a copy of the executed agreement and a blanket purchase order.

Please contact me at 248.841.2537 or by email at with any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Lisa Cummins".

Lisa Cummins, CPPB
Procurement Manager

Enclosures: Agreement

**CITY OF ROCHESTER HILLS ACTING AS LEAD AGENCY
AWARD OF PROPOSAL RFP-RH-23-037
GROUNDSKEEPING MATERIALS – FERTILIZER, PESTICIDE,
HERBICIDE, GRASS SEED AND RELATED ITEMS**

This agreement made this 13th day of November 2023, by and between the **City of Rochester Hills, 1000 Rochester Hills Drive, Rochester Hills, Michigan 48309**, hereinafter called the CITY and **Harrell's LLC, 5105 New Tampa Hwy, Lakeland, FL 33815**, hereinafter called the CONTRACTOR.

Administrative Summary

- Request for Proposals were posted July 27, 2023 on the MITN e-procurement system and opened on September 19, 2023. The City, acting as the Principal Procurement Agency on behalf of themselves and OMNIA Partners issued a Request for Proposal for groundskeeping materials – fertilizer, pesticide, herbicide, grass seed and related items. The proposal was developed with the intent of establishing a nationwide master agreement for entities across the country to purchase from, and aggregate volumes to generate best value offers from groundskeeping materials vendors.
- Notification was sent to over ninety (90) vendors with two (2) proposal responses received.
- Proposals were evaluated by the City of Rochester Hills Department of Public Services and Parks and Natural Resources personnel.
- Scoring was conducted and Harrell's LLC was selected unanimously as providing the best value. By partnering with a national cooperative, the agreement receives the most competitive pricing available in the local market for these products. As part of the agreement, the City was able to secure pricing for a comprehensive selection of fertilizers, pesticides, herbicides, grass seed and related items to ensure this cooperative contract would be beneficial, and provide a solution to meet agencies needs across the nation.
- The City of Rochester Hills with execution of this agreement hereby awards the contract for groundskeeping materials – fertilizer, pesticide, herbicide, grass seed and related items to Harrell's LLC for a period of three years commencing December 1, 2023 with an option to renew for an additional 2-year period under the same terms and conditions upon mutual consent by the City and Contractor.

NOW THEREFORE, the CONTRACTOR and the CITY, for the consideration hereinafter named, agree as follows:

WHEREAS, The CONTRACTOR agrees to provide all labor, materials, and the means of transportation to provide groundskeeping materials – fertilizer, pesticide, herbicide, grass seed and related items, as indicated in Request for Proposal (RFP-RH-23-037 for Groundskeeping Materials – Fertilizer, Pesticide, Herbicide, Grass Seed and Related Items) dated July 27, 2023. Products and compensation shall be based on the Contractor's proposal dated August 22, 2023, and the RFP Documents (RFP-RH-23-037 for Groundskeeping Materials – Fertilizer, Pesticide, Herbicide, Grass Seed and Related Items) and Addendums and attachments included as part of this Agreement.

**CITY OF ROCHESTER HILLS ACTING AS LEAD AGENCY
AWARD OF PROPOSAL RFP-RH-23-037
GROUNDSKEEPING MATERIALS – FERTILIZER, PESTICIDE,
HERBICIDE, GRASS SEED AND RELATED ITEMS**

CONTRACT GENERAL CONDITIONS

With respect to any purchases by any Participating Public Agency pursuant to the Master Agreement, the City of Rochester Hills (i) shall not be construed as a dealer, re-marketer, representative, partner or agent of any type of the Supplier, or such Participating Public Agency; (ii) shall not be obligated, liable or responsible for any order made by any Participating Public Agency or any employee thereof under the Master Agreement or for any payment required to be made with respect to such order; and (iii) shall not be obligated, liable or responsible for any failure by any Participating Public Agency to comply with procedures or requirements of applicable law or the Master Agreement or to obtain the due authorization and approval necessary to purchase under the Master Agreement. The City of Rochester Hills makes no representation or guaranty with respect to any minimum purchases, or purchase(s) by the City or any Participating Public Agency or any employee thereof under this Agreement or the Master Agreement.

The City based on Purchasing Ordinance does not require authorization to execute this contract from its legislative body and hereby executes this agreement to allow utilization by other participating entities under the Joint Exercise of Powers Legislation as granted by the State of Michigan Urban Cooperation Act of 1967 124.505.

In witness whereof, the Parties hereto have executed this Agreement the day and year written above.

The undersigned hereby declares that he/she has carefully examined the general conditions and specifications and will provide Groundskeeping Materials, as described herein for the prices set forth in this proposal. Any changes to the specifications and its impact on the final cost will be discussed and mutually agreed upon before the delivery of the services.

It is understood that all proposed prices shall remain in effect for at least one hundred twenty (120) days from the date of the proposal opening to allow for the award and that, if chosen the successful vendor, the prices will remain firm through invoice.

The proposer affirms that he/she is duly authorized to execute this proposal, that this company, corporation, firm, partnership or individual has not prepared this proposal in collusion with any other proposer and that the contents of this proposal as to prices, terms or conditions have not been communicated by the undersigned, nor by any employee or agent, to any competitor, and will not be, prior to the award and the proposer has full authority to execute any resulting contract awarded as the result of, or on the basis of the proposal.

By submission of a response, the Proposer agrees that at the time of submittal, he/she: (1) has no interest (including financial benefit, commission, finder's fee, or any other remuneration) and shall not acquire any interest, either direct or indirect, that would conflict in any manner or degree with the performance of Proposer's services, or (2) benefit from an award resulting in a "Conflict of Interest." A "Conflict of Interest" shall include holding or retaining membership, or employment, on a board, elected office, department, division or bureau, or committee sanctioned by and/or governed by the City of Rochester Hills. Proposers shall identify any interests, and the individuals involved, on separate paper with the response and shall understand that the City, at its discretion may reject their proposal.

2. Executive Summary

Harrell's LLC proudly submits the following contract proposal to include:

- A comprehensive product and service offering including granular and liquid fertilizers, plant protectants including but not limited to herbicides, fungicides, insecticides, grass seeds and a balance of lines including materials and supplies.
- Free training with CEU credits
- Bulk Spreading in certain states
- Free Delivery
- Free Agronomic Support from our Agronomy Experts
- www.myHarrells.com customer web portal

3. Proposal Profile

Harrell's, LLC was established in Lakeland, Florida in 1941 and over the past 82 years has grown into a worldwide producer and distributor of customized, agronomic solutions. This includes nutritional solutions in both granular and liquid form to help your turf, landscape and plants grow and thrive. With 29 locations across the United States, Harrell's has built an infrastructure to ensure timely and efficient shipments to over 40 states coast to coast, and an international network that currently ships to 9 countries on 3 continents.

Harrell's corporate office is located at 5105 New Tampa Hwy, Lakeland, Florida. On December 20, 2007 Harrell's became incorporated in the State of Florida, and on September 30, 2016, Harrell's became an employee-owned company through the establishment of Harrell's Employee Stock Ownership Plan (ESOP). Harrell's has 390 employees, which includes 119 Territory Managers who specialize in their agronomic field, and 5 Directors of Agronomy who conduct research, product trials, product development, and assist Territory Managers in creating customized solutions for customers to protect against pests, environmental threats, and climate extremes.

Harrell's Coating Solutions: Makers of POLYON® fertilizer from Harrell's that has been America's premier controlled release fertilizer for turfgrass and ornamental applications since 1992.

Harrell's ProtectMAX®: Broad-spectrum line up of chemistry formulations including contact and systemic fungicides and herbicide.

Harrell's SprayMAX®: Complete line of adjuvants, colorants, and essential utility products.

Harrell's MAX®: Liquid foliar nutritionals that include over 30 different products with specific engineered formulations for turfgrass and ornamentals

Harrell's is an Authorized Distributor for (but not limited to): ENVU (formally Bayer) ,Syngenta, Nufarm, BASF, Corteva (formally DOW Agrosience), FMC, PBI Gordon, SEPRO, PURE SEED, Mountain View Seed.

See sample of additional vendors in: [Attachment B_Letters of Authorization](#).

4. Method of Approach

a. No other companies will be involved in servicing this account. Harrell's will be doing all the billing, invoicing, and delivery. For small shipments needed overnight, Harrell's reserves right to use FedEx or LTL carrier.

b. Harrell's manufacturing and distribution facilities are strategically located across America. With 29 distribution facilities totaling over 550,000 sq ft of warehouse space spread across the country, Harrell's distribution network is designed to be able to reach our customer base swiftly and efficiently. Locations include:

Atlanta, GA	Columbus, OH	Philadelphia, PA
Avon Park, FL	Hartford, CT	Phoenix, AZ
Birmingham, AL	Houston, TX	Pittsburgh, PA
Boston, MA	Indianapolis, IN	Portland, OR
Charlotte, NC	Lakeland, FL	Richmond, VA
Chattanooga, TN	Los Angeles, CA	San Antonio, TX
Chicago, IL	Lubbock, TX	San Diego, CA
Dallas, TX	Miami, FL	San Jose, CA
Denver, CO	Oklahoma City, OK	Syracuse, NY
Detroit, MI	Palm Springs, CA	

c. Describe how your products meet the requirements of this solicitation:

i. Harrell's is not simply a distributor of products. Harrell's offers a team to assist our customers with solutions by assisting with agronomic planning to create a balanced approach for a healthy lawn and landscape. In addition to great customer service and delivery, Harrell's offers a series of tools through MyHarrell's web portal that include quick links to labels, SDS, and calculators to assist any applicator with product requirements.

ii. Seed analysis provided in: [Attachment C_Seed Tech Sheets](#)

iii. Below are links to Harrell's catalogs and website that represent our Plant Health Care product line.

[Harrell's Protect Max](#)

[Harrell's Liquid Foliar Nutritionals](#)

[Harrell's Spray Max](#)

[Harrell's Hydro Max](#)

[Harrell's Website](#)

d. Generally, fertilizers and plant protectants have a decent shelf life. 2-5 years. The products sold are usually utilized within a year's timeframe of purchase.

e. OMNIA Partner Agencies with have the opportunity to participate in yearly Early Order Programs that are offered by our manufacturing partners with exclusive programs offered by Harrell's. Benefits include 10-30% savings on purchases, with complimentary storage and delivery. Extended terms are also offered.

f. Every participating agency with be assigned to their personal Territory Manager at Harrell's. Orders can be placed directly with our concierge service via phone, email or text message. Orders, deliveries, and invoice history can be sourced on the Agency's personal account page on www.Harrells.com/MyHarrells.

g. All product purchases are fully guaranteed. In addition, OMNIA Partners Agencies have the added option of training, education, and technical support from the support staff at Harrell's that include but are not limited to 5 Ph.D.'s who serve as Directors of Agronomy.

h. Describe your delivery commitment:

i. Case goods purchased are usually delivered in 1-3 business days and palletted products such as seed and fertilizer are delivered in 1-2 weeks from purchase. In special circumstances or emergency need product can be shipped same day or overnight.

ii. Harrell's prides itself with customer service. In many cases, Harrell's works with the customer as to how they would like the situation resolved. For example, if a bag was torn but the product integrity was good, we would simply not charge for the unit. In a situation such as a wrong order, Harrell's would make the effort to pick up the purchase at no cost to the customer.

i. Invoices are posted and sent to customers the day after the product is shipped. Invoices are created based on the items received on the original order. Options for receiving invoices are US Postal Service, Email, or Fax. Electronic invoicing is not currently available. Summary invoicing is not currently available. Sample invoice provided in: [Attachment D_Sample Invoice](#).

j. POLYON® fertilizer from Harrell's has been America's premier controlled-release fertilizer for turfgrass applications since 1992.

In addition, Harrell's EarthMAX® Organic Foliar and Soil Additive is intended for use on trees, shrubs, grass, vegetables, flowers, and crops. Applying this product to in-ground and container plants may aid in micronutrient uptake and increase water retention. EarthMAX® is OMRI certified for organic use.

k. POLYON® innovation is a proprietary process that includes multiple monomers to establish a physical bond to the substrate. Using our proprietary POLYGRAPH® program, Harrell's can develop the right prescription for the need. In fact, POLYON® is so predictable its performance can be mapped out and evaluated even before applying the product.

l. POLYON® fertilizers do not leach or volatilize into the atmosphere. The controlled release technology is engineered to release a specific amount of nutrients for plant uptake. This eliminates unnecessary leaching into waterways.

m. Each Agency will be assigned a Harrell's Territory Manager who will regularly call on the customer updating them of industry news and products. In addition, the Harrell's Marketing team regularly informs our customers of news and product updates through email, industry trade publications and social media platforms.

n. The Harrell's Compliance team has a strict policy of tracking sales into states. Products are immediately flagged and locked out by our ordering system if they are not approved to be sold in a particular region. Customers are informed by Harrell's Territory Managers if a product is eligible to be used in a particular market.

o. Harrell's can provide:

- Bulk fertilizer application or services in most states.
- Free access to our Directors of Agronomy. Multiple Ph.D's who are experts in soil science, horticulture, plant pathology, weed management and plant nutrition.
- Free online CEU courses and seminars throughout the country.

p. Harrell's Vice President of Finance, Kevin English will provide a monthly summary on the 15th of each month to the OMNIA contract manager. Sample Report can be found in [Attachment E_Sample Report](#).

q. All members will receive Best In Market Pricing. Price lists are monitored monthly, and changes are made when necessary to accommodate the market and industry volatility. If changes are in need, Harrell's will provide an updated price list to the City of Rochester Hills with a detailed explanation of the price change. The price list will show the discounted OMNIA prices

r. Harrell's Vice President of Finance, Kevin English will provide a monthly summary on the 15th of each month to the OMNIA contract manager.

s. Harrell's procurement and inventory teams work daily to source the best pricing in the market. Purchasing raw materials by the barge load months ahead of actual needs has afforded Harrell's to be in great position for material in stock at a competitive price. Harrell's ordering, dispatch, and

invoicing systems are linked together in order to see “real time” inventory and forecasting. This assists the team when ordering truckloads of material and maintaining controlled inventories.

t. Harrell’s is not simply a distributor for products; Harrell’s offers a team to assist our customers with solutions by assisting with agronomic planning to create a balanced approach for a healthy lawn and landscape. In addition to great customer service and delivery, Harrell’s offers a series of tools through MyHarrells web portal that include quick links to labels, SDS, and calculators to assist any applicator with product requirements. In addition, our customers have the added option of training, education (including online CEU courses) and technical support from the support staff at Harrell’s that include but are not limited to 5 Ph.D.’s who serve as Directors of Agronomy.

5. Qualifications and Experience

a. Harrell’s, LLC was established in Lakeland, Florida in 1941 and over the past 82 years has grown into a worldwide producer and distributor of customized, agronomic solutions. This includes nutritional solutions in both granular and liquid form to help your turf, landscape and plants grow and thrive. With 29 locations across the United States, Harrell’s has built an infrastructure to ensure timely and efficient shipments to over 40 states coast to coast, and an international network that currently ships to 9 countries on 3 continents.

b. Gross Sales:

2021: \$397M

2022: \$444M

c. Harrell’s has 387 employees, which includes 116 Territory Managers who specialize in their agronomic field, and 5 Directors of Agronomy who conduct research, product trials, product development, and assist Territory Managers in creating customized solutions for customers to protect against pests, environmental threats, and climate extremes.

Harrell’s has 8 Ph.D.’s who are a part of the Agronomy and Compliance Team. We have many team members who have obtained their Master’s Degree in Agronomy as well as receiving their certifications as Certified Golf Course Superintendents (CGCS), issued from the GCSAA and Certified Professional Agronomist (CPAg) issued by the American Society of Agronomy.

d. Harrell’s is a leading producer and distributor of customized, agronomic solutions – not merely “products”. This includes nutritional solutions in both granular and liquid form to help your turf, landscape and plants grow and thrive. We also specialize in delivering solutions to help protect your world from pests, environmental threats, and climate extremes. Harrell’s also conducts extensive research trials and studies and invests strongly in product development to bring you the best and most effective solutions possible.

d. If “no” to above, will consideration be given to accept the card? Yes No

COST PROPOSAL

The Cost Proposal lists products that will likely be purchased under the contract. This list is not all-inclusive. The following items are listed for the purpose of comparing discounts offered. Actual items and quantities will vary. The resulting Purchase Order will be awarded based upon the Price Schedule (discount/mark-up) as given, which shall be used to compute the prices below. The City reserves the right to exclude from the evaluation any sample items listed (e.g. If an item has been recently discontinued and was unknown by the City when this document was prepared). The expectation is that the successful Contractor shall provide their entire catalog of products at the pricing formula offered. Vendors should submit pricing for full catalog of products and services/a balance of line, including delivery rates, as well as national discounts as a pricing percentage discount offered in Excel format. The quantities shown are estimates only and the City reserves the right to increase or decrease amounts as circumstances may require.

Exhibit A
Response for National Cooperative Contract

2.0 REPRESENTATIONS AND COVENANTS

2.1 Corporate Commitment

Harrell's affirms that the Master Agreement has received all necessary corporate authorizations and support of executive management. The Master Agreement will be utilized as Harrell's primary strategy when approaching public agencies that are under the OMNIA partnership and would otherwise be required to go to bid. Harrell's will consider transitioning an existing Harrell's customer that is a Public Agency if that Agency requires a bid process and the Master Agreement is utilized. Harrell's has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Greg Nicoll, SVP of Sales at Harrell's, will be the executive corporate sponsor responsible for overall management of the Master Agreement.

2.2 Pricing Commitment

Harrell's affirms that pricing provided under the Master Agreement pricing is its lowest available to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

2.3 Sales Commitment

Harrell's affirms that we will market the Master Agreement as laid out in [Attachment A_Omnia Partners](#), Exhibit A, Section 3.3, and that our sales team will be thoroughly trained and provided with the tools they need to approach and offer the Master Agreement to Public Agencies through OMNIA Partners nationwide. Harrell's commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Harrell's also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

3.0 SUPPLIER RESPONSE

3.1 Company

A. Harrell's, LLC was established in Lakeland, Florida in 1941 and over the past 82 years has grown into a worldwide producer and distributor of customized, agronomic solutions. This includes nutritional solutions in both granular and liquid form to help your turf, landscape and plants grow and thrive. With 29 locations across the United States, Harrell's has built an infrastructure to ensure timely and efficient shipments to over 40 states coast to coast, and an international network that currently ships to 9 countries on 3 continents.

On December 20, 2007 Harrell's became incorporated in the State of Florida, and on September 30, 2016, Harrell's became an employee-owned company through the establishment of Harrell's Employee Stock Ownership Plan (ESOP). Harrell's currently has 390 employees.

Harrell's Coating Solutions: Makers of POLYON® fertilizer from Harrell's that has been America's premier controlled release fertilizer for turfgrass and ornamental applications since 1992.

Harrell's ProtectMAX®: Broad-spectrum line up of chemistry formulations including contact and systemic fungicides and herbicide.

Harrell's SprayMAX®: Complete line of adjuvants, colorants, and essential utility products.

Harrell's MAX®: Liquid foliar nutritionals that include over 30 different products with specific engineered formulations for turfgrass and ornamentals.

Harrell's is an Authorized Distributor for (but not limited to): ENVU (formally Bayer) Syngenta, Nufarm, BASF, Corteva (formally DOW Agrosience), FMC, PBI Gordon, SEPRO, PURE SEED, Mountain View Seed.

See sample of additional vendors in: [Attachment B Letters of Authorization](#)

B. Harrell's has 119 Territory Managers who specialize in their agronomic field, and 5 Directors of Agronomy who conduct research, product trials, product development, and assist Territory Managers in creating customized solutions for customers to protect against pests, environmental threats, and climate extremes. Covering the United States from coast to coast, Harrell's Territory Managers live in these 30 states

Alabama	Indiana	New Hampshire	South Carolina
Arizona	Kansas	New Jersey	Tennessee
California	Kentucky	New York	Texas
Colorado	Massachusetts	Ohio	Virginia
Connecticut	Maryland	Oklahoma	Wisconsin
Florida	Michigan	Oregon	West Virginia
Georgia	Mississippi	Pennsylvania	
Illinois	North Carolina	Rhode Island	

C. Harrell’s corporate office is located at 5105 New Tampa Hwy, Lakeland, Florida. Harrell’s manufacturing and distribution facilities are strategically located across America. With 29 distribution facilities totaling over 550,000 sq ft of warehouse space spread across the country, Harrell’s distribution network is designed to be able to reach our customer base swiftly and efficiently:

Atlanta, GA	Columbus, OH	Philadelphia, PA
Avon Park, FL	Hartford, CT	Phoenix, AZ
Birmingham, AL	Houston, TX	Pittsburgh, PA
Boston, MA	Indianapolis, IN	Portland, OR
Charlotte, NC	Lakeland, FL	Richmond, VA
Chattanooga, TN	Los Angeles, CA	San Antonio, TX
Chicago, IL	Lubbock, TX	San Diego, CA
Dallas, TX	Miami, FL	San Jose, CA
Denver, CO	Oklahoma City, OK	Syracuse, NY
Detroit, MI	Palm Springs, CA	

D. Harrell’s Gross Sales:

2020: \$303M

2021: \$397M

2022: \$444M

a. Submit FEIN and Dunn & Bradstreet report.

FEIN: 26-1595082

D&B: 805880072

E. Harrell’s, LLC participates and contributes information for the Sustainability Report put out by The Fertilizer Institute. Please see Harrell’s Sustainability Policy in [Attachment F_Sustainability Policy](#). Harrell’s also actively promotes BMPs for responsible pesticide use and Harrell’s is a Platinum Tee Club member of the Environmental Institute for Golf, which supports and advocates for sustainable practices in the green industry.

Harrell’s patented POLYON® fertilizers do not leach or volatilize into the atmosphere. The controlled release technology is engineered to release a specific amount of nutrients for plant uptake. This eliminates unnecessary leaching into waterways.

F. Harrell's offers annual Diversity, Equity, and Inclusion training for all employees.

G. Indicate if supplier holds any of the below certifications in any classified areas and include proof of such certification in the response:

a. Minority Women Business Enterprise

Yes No

If yes, list certifying agency: _____

Yes No

If yes, list certifying agency: _____

e. Other recognized diversity certificate holder

Yes No

If yes, list certifying agency: _____

H. Harrell's will not be utilizing any subcontractors for the fulfillment of this contract.

I. Harrell's is not simply a distributor for products. Harrell's offers a team to assist our customers with solutions by assisting with agronomic planning to create a balanced approach for a healthy lawn and landscape. In addition to great customer service and delivery, Harrell's offers a series of tools through MyHarrell's web portal that include quick links to labels, SDS, and calculators to assist any applicator with product requirements. In addition, OMNIA Partners Agencies have the added option of training, education (including online CEU courses) and technical support from the support staff at Harrell's that include but are not limited to 5 Ph.D.'s who serve as Directors of Agronomy.

J. Harrell's, LLC currently has two open cases - one case was originated by Harrell's for non-payment by a former customer; the other case involves a grower who allegedly sustained some crop damage and the customer is in the process of determining which inputs could have caused the damage. The only product this customer purchased from Harrell's was soil.

K. Harrell's is not owned or operated by anyone who has been convicted of a felony.

L. None.

3.2 Distribution, Logistics

A. Harrell's, LLC has a comprehensive product and service offering including granular and liquid fertilizers, plant protectants including but not limited to herbicides, fungicides, insecticides, grass seeds and a balance of lines including materials and supplies. In addition to these products, Harrell's also

provides free training with CEU credits, bulk spreading in certain states, free delivery, free agronomic support from our agronomy experts, and a user friendly customer web portal located at www.myHarrells.com.

Harrell's Coating Solutions: Makers of POLYON® fertilizer from Harrell's that has been America's premier controlled release fertilizer for turfgrass and ornamental applications since 1992.

Harrell's ProtectMAX®: Broad-spectrum line up of chemistry formulations including contact and systemic fungicides and herbicide.

Harrell's SprayMAX®: Complete line of adjuvants, colorants, and essential utility products.

Harrell's MAX®: Liquid foliar nutritionals that include over 30 different products with specific engineered formulations for turfgrass and ornamentals.

Harrell's is an Authorized Distributor for (but not limited to): ENVU (formally Bayer) Syngenta, Nufarm, BASF, Corteva (formally DOW Agrosience), FMC, PBI Gordon, SEPRO, PURE SEED, Mountain View Seed.

See sample of additional vendors in: [Attachment B_Letters of Authorization](#).

B. Harrell's manufacturing and distribution facilities are strategically located across America. With 29 distribution facilities totaling over 550,000 sq ft of warehouse space spread across the country, Harrell's distribution network is designed to be able to reach our customer base swiftly and efficiently. Harrell's is continually expanding and opening new distribution locations as our customer base grows.

C. All participating agencies will receive Best in Market pricing. A national price list will accommodate the Master Agreement to be posted on OMNIA Website. Pricing will be monitored monthly and adjusted, when necessary, with the approval from the City of Rochester Hills, MI. Adjustments may include but are not limited to price increases or reductions and the addition of products and services.

D. Harrell's fleet primarily handles and deliver's all products. When needed, Harrell's utilizes third party shipping including, but not limited to, Fed Ex and UPS.

E. Harrell's manufacturing and distribution facilities are strategically located across America. With 29 distribution facilities totaling over 550,000 sq ft of warehouse space spread across the country, Harrell's distribution network is designed to be able to reach our customer base swiftly and efficiently. No retail network is utilized in distribution, all sales are handled by one of Harrell's 119 Territory Managers.

3.3 Marketing and Sales

A. Harrell's will immediately implement a 90-day strategy designed to endorse the award and educate our national sales force.

Within the first 10 days, Harrell's executive leadership will communicate endorsement and sponsorship of the award as the public sector go-to-market strategy to our national sales force.

Within the first 90 days, Harrell's will provide training materials (created by Harrell's and/or supplied by the OMNIA Partners team) regarding participation to our national sales force.

B. Harrell's ninety-day Marketing plan:

i. Harrell's will create and distribute a co-branded press release to trade publications.

ii. Harrell's will publish the Master Agreement details and contact information on a newly created page at www.harrells.com within the first 90 days.

iii. Harrell's will distribute co-branded marketing materials, including an updated version of our existing OMNIA Brochure, within the first 90 days.

iv. Harrell's will commit to attendance and participation with OMNIA Partners and national, regional, and supplier-specific trade shows, conferences, and meetings throughout the term of the Master Agreement.

v. Harrell's will commit to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by OMNIA Partners for partner suppliers. Booth space will be purchased and staffed by Harrell's. Harrell's will commit to providing reasonable assistance to the overall promotion and marketing efforts for the NIGP Annual Forum, as directed by OMNIA Partners.

vi. Harrell's will submit advertisements in national and regional trade publications throughout the term of the Master Agreement.

vii. Harrell's will engage in ongoing marketing and promotion of the Master Agreement throughout its term in the form of collateral, presentations, social media posts, newsletter entries, and more.

viii. Harrell's will provide a dedicated landing page on www.harrells.com with the OMNIA Partners standard logo, a copy of the original Request for Proposal, a copy of the Master Agreement and amendments between Principal Procurement Agency and Harrell's, a summary of products and pricing, marketing materials, a link to the OMNIA Partners website and online registration page, and a dedicated toll-free number and email address for OMNIA Partners.

C. Harrell's will consider transitioning an existing Harrell's customer that is a Public Agency if that Agency requires a bid process and the Master Agreement is utilized.

D. Harrell's agrees to provide our logo to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions. We acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well.

E. Harrell's confirms we will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners.

F. Harrell's will train its national sales force on the Master Agreement.

H. Harrell's Sales force is structured by segment and then by geography. There are 4 main segments: Turf (includes golf, sports turf and landscape), Horticulture, Specialty Agriculture and International. These segments are managed by geographical regions. Vice President's report to Dave Schermerhorn (President), Sales Directors report to Vice President's, and Territory Managers report to Sales Directors. Territory Managers specialize in their agronomic field and create customized solutions for customers to achieve healthy and beautiful turf, plants, and crops, as well as protect against pests, environmental threats, and climate extremes. Below are the top three levels of our Sales Force:

David Schermerhorn, President - david@harrells.com

Greg Nicoll, VP of Turf Sales, North - gnicoll@harrells.com
John Keeler, Sales Director, Northeast - jkeeler@harrells.com
Tyler Otero, Sales Director, Mid-Atlantic - totero@harrells.com
Scott Parker, Sales Director, Midwest - sparker@harrells.com

Nick Spardy, VP of Turf Sales West and South Central - nspardy@harrells.com
Phil Page, Sales Director, Turf West - ppage@harrells.com
J.J. Jansen, Sales Director, Turf South Central - jjansen@harrells.com

Clay Breazeale, VP of Turf Sales, South - cbreazeale@harrells.com
Adam Ellison, Sales Director, Florida - aellison@harrells.com
Kurt von Hofen, Sales Director, Southeast - kvonhofen@harrells.com
Matt Greg, Sales Director, Coastal Plains - mgregg@harrells.com

Rick Helpingstine, VP of International Sales, Specialty Ag - rhelpingstine@harrells.com
Vikki Yeh, Director of International Sales - vyeh@harrells.com

Scott Martiniere, VP of Horticulture Sales - smartiniere@harrells.com
Norman Lafaille, Sales Director, Hort North - nlafaille@harrells.com
Robby Clemenzi, Sales Director, Hort South - rclemenzi@harrells.com
Marlon Carrera, Sales Director, Hort West - mcarrera@harrells.com

I. Harrell's Sales team members work in conjunction with their Regional Sales Directors and seek assistance, if necessary, from OMNIA Regional Representatives to introduce the value of the Master Agreement.

I. Harrell's anticipates future growth as a company with primary focus on the public sector. Harrell's will investigate potential opportunities, develop trust and share the benefits of the Master Agreement.

J. Harrell's Public Agency sales for the 2022: \$2,207,596 (increased by 10%)

Harrell's top 10 Public Agency customers (total purchases for 2022):

1. Collier County Board of County, Jeff Bell \$ 292,236.10
2. Collier County School Board, Sumeet Perez \$ 213,505.28
3. University of Florida, Paul Hamilton \$ 205,602.49
4. Manatee County Finance, David Schumer \$ 190,604.30
5. Huron Clinton Metro Auth, Chris Lengman \$ 190,438.76
6. Florida Int'l University, Dave Provost \$ 111,338.18
7. Town of Colonie, John Risler \$ 96,254.92
8. City of Farmington Hills, April Heir \$ 89,266.83
9. OSU Golf Club, Dennis Bowsher \$ 84,093.18
10. City of Lavonia Golf, Douglas Ware \$ 76,302.45

K. Invoices are posted and sent to customers the day after the product is shipped. Invoices are created based on the items received on the original order. Options for receiving invoices are US Postal Service, Email, or Fax. Invoices can also be viewed online in our Customer Portal. Electronic and summary invoicing are not currently available. Method of payments are US Postal Service (Harrell's, LLC, P O Box 935358, Atlanta GA 31193-5358), electronic check (ACH), or credit card via phone or customer portal. Sample invoice provided in: [Attachment D_Sample Invoice](#).

L. Harrell's is unable to guarantee a sales amount for each year of the contract. However, Harrell's is committed to utilizing and growing this contract should we be awarded an additional three years, as our history utilizing this contract demonstrates. From 2021 to 2022 Harrell's increased the contract by 10%. From 2022 to 2023 Harrell's has increased the contract by 28% YTD (comparing sales number on 9/6/22 and 9/6/23). See details below:

Year 1 - 2021: \$2,010,059
Year 2 - 2022: \$2,207,596 (increased by 10%)
Year 3 (in progress) - 9/6/23: \$1,462,759 (increased 28% YTD)

M. When the opportunity presents itself, as described in these examples, Harrell's Team Members will introduce OMNIA Partners, explain the benefits of the Master Agreement and will work closely with the Agency to ensure that they received Best in Market pricing.

In addition, Harrell's team members will use the OMNIA Partners Connect Portal to seek contacts within a Public Agency to assist with generating confidence from a future prospect within that Agency. There are many circumstances when Public Agencies are not communicating internally about the benefits of OMNIA. OMNIA Partners Connect assists in making those connections.

Exhibit F
Federal Funds Certifications

FEDERAL CERTIFICATIONS
ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non-Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non-Federal entity that, consistent with 31 U.S.C. 6302–6305:

- (a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non-Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;
- (b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non-Federal entity in carrying out the activity contemplated by the Federal award.
- (c) The term does not include:
 - (1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or
 - (2) An agreement that provides only:
 - (i) Direct United States Government cash assistance to an individual;
 - (ii) A subsidy;
 - (iii) A loan;
 - (iv) A loan guarantee; or
 - (v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non-Federal entity

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

- (a)(1) The Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or
- (2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.
- (b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.
- (c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).
- (d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non-Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:

- (a) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;
- (b) Is not organized primarily for profit; and
- (c) Uses net proceeds to maintain, improve, or expand the operations of the organization.

Obligations means, when used in connection with a non-Federal entity's utilization of funds under a Federal award, orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by the non-Federal entity during the same or a future period.

Pass-through entity means a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non-Federal entity may purchase property or services using small purchase methods. Non-Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is \$250,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Termination means the ending of a Federal award, in whole or in part at any time prior to the planned end of period of performance.

The following provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Per FAR 52.204-24 and FAR 52.204-25, solicitations and resultant contracts shall contain the following provisions.

52.204-24 Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment (Oct 2020)

The Offeror shall not complete the representation at paragraph (d)(1) of this provision if the Offeror has represented that it "does not provide covered telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument" in paragraph (c)(1) in the provision at [52.204-26](#), Covered Telecommunications Equipment or Services—Representation, or in paragraph (v)(2)(i) of the provision at [52.212-3](#), Offeror Representations and Certifications-Commercial Items. The Offeror shall not complete the representation in paragraph (d)(2) of this provision if the Offeror has represented that it "does not use covered telecommunications equipment or services, or any equipment, system, or service that uses covered telecommunications equipment or services" in paragraph (c)(2) of the provision at [52.204-26](#), or in paragraph (v)(2)(ii) of the provision at [52.212-3](#).

(a) *Definitions.* As used in this provision—

Backhaul, covered telecommunications equipment or services, critical technology, interconnection arrangements, reasonable inquiry, roaming, and substantial or essential component have the meanings provided in the clause [52.204-25](#), Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment.

(b) Prohibition.

(1) Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2019, from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) Section 889(a)(1)(B) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2020, from entering into a contract or extending or renewing a contract with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. This prohibition applies to the use of covered telecommunications equipment or services, regardless of whether that use is in performance of work under a Federal contract. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(c) *Procedures.* The Offeror shall review the list of excluded parties in the System for Award Management (SAM) (<https://www.sam.gov>) for entities excluded from receiving federal awards for "covered telecommunications equipment or services".

(d) *Representation.* The Offeror represents that—

(1) It will, will not provide covered telecommunications equipment or services to the Government in the performance of any contract, subcontract or other contractual instrument resulting from this solicitation. The Offeror shall provide the additional disclosure information required at paragraph (e)(1) of this section if the Offeror responds "will" in paragraph (d)(1) of this section; and

(2) After conducting a reasonable inquiry, for purposes of this representation, the Offeror represents that—

It does, does not use covered telecommunications equipment or services, or use any equipment, system, or service that uses covered telecommunications equipment or services. The Offeror shall provide the additional disclosure information required at paragraph (e)(2) of this section if the Offeror responds "does" in paragraph (d)(2) of this section.

(e) *Disclosures.*

(1) Disclosure for the representation in paragraph (d)(1) of this provision. If the Offeror has responded "will" in the representation in paragraph (d)(1) of this provision, the Offeror shall provide the following information as part of the offer.

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the original equipment manufacturer (OEM) or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and

(C) Explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.

(ii) For covered services—

(A) If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

(B) If not associated with maintenance, the Product Service Code (PSC) of the service being provided; and explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.

(2) Disclosure for the representation in paragraph (d)(2) of this provision. If the Offeror has responded "does" in the representation in paragraph (d)(2) of this provision, the Offeror shall provide the following information as part of the offer:

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and

(C) Explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of this provision.

(ii) For covered services—

(A) If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

(B) If not associated with maintenance, the PSC of the service being provided; and explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of this provision.

52.204-25 Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment (Aug 2020).

(a) *Definitions.* As used in this clause—

Backhaul means intermediate links between the core network, or backbone network, and the small subnetworks at the edge of the network (e.g., connecting cell phones/towers to the core telephone network). Backhaul can be wireless (e.g., microwave) or wired (e.g., fiber optic, coaxial cable, Ethernet).

Covered foreign country means The People's Republic of China.

Covered telecommunications equipment or services means—

(1) Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities);

(2) For the purpose of public safety, security of Government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);

(3) Telecommunications or video surveillance services provided by such entities or using such equipment; or

(4) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

Critical technology means—

(1) Defense articles or defense services included on the United States Munitions List set forth in the International Traffic in Arms Regulations under subchapter M of chapter I of title 22, Code of Federal Regulations;

(2) Items included on the Commerce Control List set forth in Supplement No. 1 to part 774 of the Export Administration Regulations under subchapter C of chapter VII of title 15, Code of Federal Regulations, and controlled-

(i) Pursuant to multilateral regimes, including for reasons relating to national security, chemical and biological weapons proliferation, nuclear nonproliferation, or missile technology; or

(ii) For reasons relating to regional stability or surreptitious listening;

(3) Specially designed and prepared nuclear equipment, parts and components, materials, software, and technology covered by part 810 of title 10, Code of Federal Regulations (relating to assistance to foreign atomic energy activities);

(4) Nuclear facilities, equipment, and material covered by part 110 of title 10, Code of Federal Regulations (relating to export and import of nuclear equipment and material);

(5) Select agents and toxins covered by part 331 of title 7, Code of Federal Regulations, part 121 of title 9 of such Code, or part 73 of title 42 of such Code; or

(6) Emerging and foundational technologies controlled pursuant to section 1758 of the Export Control Reform Act of 2018 (50 U.S.C. 4817).

Interconnection arrangements means arrangements governing the physical connection of two or more networks to allow the use of another's network to hand off traffic where it is ultimately delivered (e.g., connection of a customer of telephone provider A to a customer of telephone company B) or sharing data and other information resources.

Reasonable inquiry means an inquiry designed to uncover any information in the entity's possession about the identity of the producer or provider of covered telecommunications equipment or services used by the entity that excludes the need to include an internal or third-party audit.

Roaming means cellular communications services (e.g., voice, video, data) received from a visited network when unable to connect to the facilities of the home network either because signal coverage is too weak or because traffic is too high.

Substantial or essential component means any component necessary for the proper function or performance of a piece of equipment, system, or service.

(b) *Prohibition.*

(1) Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2019, from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. The Contractor is prohibited from providing to the Government any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless an exception at paragraph (c) of this clause applies or the covered telecommunication equipment or services are covered by a waiver described in FAR [4.2104](#).

(2) Section 889(a)(1)(B) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2020, from entering into a contract, or extending or renewing a contract, with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless an exception at paragraph (c) of this clause applies or the covered telecommunication equipment or services are covered by a waiver described in FAR [4.2104](#). This prohibition applies to the use of covered telecommunications equipment or services, regardless of whether that use is in performance of work under a Federal contract.

(c) *Exceptions.* This clause does not prohibit contractors from providing—

- (1) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements;
- or
- (2) Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(d) *Reporting requirement.*

(1) In the event the Contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the Contractor is notified of such by a subcontractor at any tier or by any other source, the Contractor shall report the information in paragraph (d)(2) of this clause to the Contracting Officer, unless elsewhere in this contract are established procedures for reporting the information; in the case of the Department of Defense, the Contractor shall report to the website at <https://dibnet.dod.mil>. For indefinite delivery contracts, the Contractor shall report to the Contracting Officer for the indefinite delivery contract and the Contracting Officer(s) for any affected order or, in the case of the Department of Defense, identify both the indefinite delivery contract and any affected orders in the report provided at <https://dibnet.dod.mil>.

(2) The Contractor shall report the following information pursuant to paragraph (d)(1) of this clause

(i) Within one business day from the date of such identification or notification: the contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended.

(ii) Within 10 business days of submitting the information in paragraph (d)(2)(i) of this clause: any further available information about mitigation actions undertaken or recommended. In addition, the Contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

(e) *Subcontracts*. The Contractor shall insert the substance of this clause, including this paragraph (e) and excluding paragraph (b)(2), in all subcontracts and other contractual instruments, including subcontracts for the acquisition of commercial items.

The following certifications and provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does offeror agree? YES ek Initials of Authorized Representative of offeror

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract.

Does offeror agree? YES ek Initials of Authorized Representative of offeror

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Does offeror agree to abide by the above? YES ek Initials of Authorized Representative of offeror

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the Executive Office of the President Office of Management and Budget (OMB) guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency. If at any time during the term of an award the offeror or its principals becomes debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency, the offeror will notify the Participating Agency.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(3) The prospective participant also agrees by submitting his or her bid or proposal that he or she shall require that the language of this certification be included in all lower tier subcontracts, which exceed \$100,000 and that all such subrecipients shall certify and disclose accordingly.

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by Participating Agency for any contract resulting from this procurement process, offeror certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. The offeror further certifies that offeror will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When Participating Agency expends federal funds for any contract resulting from this procurement process, offeror certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

Does offeror agree? YES ell Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition. Additionally:

- (1) The Contractor agrees to comply with 49 USC 5323(j) and 49 CFR Part 661, which provide that federal funds may not be obligated unless steel, iron and manufactured products used in FTA-funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 CFR 661.7.A general public interest waiver from the Buy America requirements applies to microprocessors, computers, microcomputers, software or other such devices, which are used solely for the purpose of processing or storing data. This general waiver does not extend to a product or device that merely contains a microprocessor or microcomputer and is not used solely for the purpose of processing or storing data. Separate requirements for rolling stock are set out at 5323(j)(2)(C) and 49 CFR 661.11.
- (2) A bidder or offeror must submit to the FTA recipient the appropriate Buy America certification with all bids on FTA-funded contracts, except those subject to a general waiver. Bids or offers that are not accompanied by a completed Buy America certification must be rejected as nonresponsive. This requirement does not apply to lower tier subcontractors.

The following certificates titled FTA and DOT Buy America Certification should be completed and returned with the response as part of FTA and DOT requirements.

FEMA AND ADDITIONAL FEDERAL FUNDING SPECIAL CONDITIONS

Awarded Supplier(s) (also referred to as Contractors) may need to respond to events and losses where products and services are needed for the immediate and initial response to emergency situations such as, but not limited to, water damage, fire damage, vandalism cleanup, biohazard cleanup, sewage decontamination, deodorization, and/or wind damage during a disaster or emergency situation. By submitting a proposal, the Supplier is accepted these FEMA and Additional Federal Funding Special Conditions required by the Federal Emergency Management Agency (FEMA) and other federal entities.

“Contract” in the below pages under FEMA AND ADDITIONAL FEDERAL FUNDING SPECIAL CONDITIONS is also referred to and defined as the “Master Agreement”.

“Contractor” in the below pages under FEMA AND ADDITIONAL FEDERAL FUNDING SPECIAL CONDITIONS is also referred to and defined as “Supplier” or “Awarded Supplier”.

Conflicts of Interest

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a FEMA award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for award. 2 C.F.R. § 200.318(c)(1); See also Standard Form 424D, ¶ 7; Standard Form 424B, ¶ 3. i. FEMA considers a “financial interest” to be the potential for gain or loss to the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties as a result of the particular procurement. The prohibited financial interest may arise from ownership of certain financial instruments or investments such as stock, bonds, or real estate, or from a salary, indebtedness, job offer, or similar interest that might be affected by the particular procurement. ii. FEMA considers an “apparent” conflict of interest to exist where an actual conflict does not exist, but where a reasonable person with knowledge of the relevant facts would question the impartiality of the employee, officer, or agent participating in the procurement. c. Gifts. The officers, employees, and agents of the Participating Public Agency nor the Participating Public Agency (“NFE”) must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, NFE’s may set standards for situations in which the financial interest is de minimus, not substantial, or the gift is an unsolicited item of nominal value. 2 C.F.R. § 200.318(c)(1). d. Violations. The NFE’s written standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the NFE. 2 C.F.R. § 200.318(c)(1). For example, the penalty for a NFE’s employee may be dismissal, and the penalty for a contractor might be the termination of the contract.

Contractor Integrity

A contractor must have a satisfactory record of integrity and business ethics. Contractors that are debarred or suspended, as described in and subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and Suspension* (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security’s regulations at 2 C.F.R. Part 3000 (Non-procurement Debarment and Suspension), must be rejected and cannot receive contract awards at any level.

Notice of Legal Matters Affecting the Federal Government

In the event FTA or DOT funding is used by Participating Public Agency, Contractor agrees to:

- 1) The Contractor agrees that if a current or prospective legal matter that may affect the Federal Government emerges, the Contractor shall promptly notify the Participating Public Agency of the legal matter in accordance with 2 C.F.R. §§ 180.220 and 1200.220.

- 2) The types of legal matters that require notification include, but are not limited to, a major dispute, breach, default, litigation, or naming the Federal Government as a party to litigation or a legal disagreement in any forum for any reason.
- 3) The Contractor further agrees to include the above clause in each subcontract, at every tier, financed in whole or in part with Federal assistance provided by the FTA.

Public Policy

A contractor must comply with the public policies of the Federal Government and state, local government, or tribal government. This includes, among other things, past and current compliance with the:

- a. Equal opportunity and nondiscrimination laws
- b. Five affirmative steps described at 2 C.F.R. § 200.321(b) for all subcontracting under contracts supported by FEMA financial assistance; and FEMA Procurement Guidance June 21, 2016 Page IV- 7
- c. Applicable prevailing wage laws, regulations, and executive orders

Affirmative Steps

For any subcontracting opportunities, Contractor must take the following Affirmative steps:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

Prevailing Wage Requirements

When applicable, the awarded Contractor (s) and any and all subcontractor(s) agree to comply with all laws regarding prevailing wage rates including the Davis-Bacon Act, applicable to this solicitation and/or Participating Public Agencies. The Participating Public Agency shall notify the Contractor of the applicable pricing/prevailing wage rates and must apply any local wage rates requested. The Contractor and any subcontractor(s) shall comply with the prevailing wage rates set by the Participating Public Agency.

Federal Requirements

If products and services are issued in response to an emergency or disaster recovery the items below, located in this FEMA Special Conditions section of the Federal Funds Certifications, are activated and required when federal funding may be utilized.

2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses

1. CONTRACT REMEDIES

Contracts for more than the federal simplified acquisition threshold (SAT), the dollar amount below which an NFE may purchase property or services using small purchase methods, currently set at \$250,000 for procurements made on or after June 20, 2018,⁴ must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms and must provide for sanctions and penalties as appropriate.

1.1 Applicability

This contract provision is required for contracts over the SAT, currently set at \$250,000 for procurements made on or after June 20, 2018. Although not required for contracts at or below the SAT, FEMA suggests including a remedies provision.

1.2 Additional Considerations

For FEMA's Assistance to Firefighters Grant (AFG) Program, recipients must include a penalty clause in all contracts for any AFG-funded vehicle, regardless of dollar amount. In that situation, the contract must include a clause addressing that non-delivery by the contract's specified date or other vendor nonperformance will require a penalty of no less than \$100 per day until such time that the vehicle, compliant with the terms of the contract, has been accepted by the recipient. This penalty clause should, however, account for force majeure or acts of God. AFG recipients should refer to the applicable year's Notice of Funding Opportunity (NOFO) for additional information, which can be accessed at FEMA.gov.

2. TERMINATION FOR CAUSE AND CONVENIENCE

- a. Standard. All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity, including the manner by which it will be effected and the basis for settlement. See 2 C.F.R. Part 200, Appendix II(B).
- b. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs.

3. EQUAL EMPLOYMENT OPPORTUNITY

When applicable:

- a. Standard. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. § 60- 1.4(b), in accordance with Executive Order 11246, *Equal Employment Opportunity* (30 Fed. Reg. 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, *Amending Executive Order 11246 Relating to Equal Employment Opportunity*, and implementing regulations at 41 C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor). See 2 C.F.R. Part 200, Appendix II(C).
- b. Key Definitions.
 - i. Federally Assisted Construction Contract. The regulation at 41 C.F.R. § 60-1.3 defines a "federally assisted construction contract" as any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the Government or borrowed on the credit of the Government pursuant to any Federal program involving a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, or any application or modification thereof approved by the Government for a grant, contract,

loan, insurance, or guarantee under which the applicant itself participates in the construction work.

- ii. Construction Work. The regulation at 41 C.F.R. § 60-1.3 defines “construction work” as the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.
- c. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs.
- d. Required Language. The regulation at 41 C.F.R. Part 60-1.4(b) requires the insertion of the following contract clause.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September

24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or

suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

4. DAVIS-BACON ACT

- a. Standard. All prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144 and 3146-3148) as supplemented by Department of Labor regulations at 29 C.F.R. Part 5 (Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction). See 2 C.F.R. Part 200, Appendix II(D). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week.
- b. Applicability. The Davis-Bacon Act applies to the Emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, and Transit Security Grant Program.
- c. Requirements. If applicable, the non-federal entity must do the following:
 - i. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
 - ii. Additionally, pursuant 2 C.F.R. Part 200, Appendix II(D), contracts subject to the Davis-Bacon Act, must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations at 29 C.F.R. Part 3 (Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States). The Copeland Anti-Kickback Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to FEMA.
 - iii. Include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction").

Suggested Language. The following provides a sample contract clause:

Compliance with the Davis-Bacon Act.

- a. All transactions regarding this contract shall be done in compliance with the Davis-Bacon Act (40 U.S.C. 3141- 3144, and

3146-3148) and the requirements of 29 C.F.R. pt. 5 as may be applicable. The contractor shall comply with 40 U.S.C. 3141-3144, and 3146-3148 and the requirements of 29 C.F.R. pt. 5 as applicable.

- b. Contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor.
- c. Additionally, contractors are required to pay wages not less than once a week.

5. COPELAND ANTI-KICKBACK ACT

- a. Standard. Recipient and subrecipient contracts must include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”).
- b. Applicability. This requirement applies to all contracts for construction or repair work above \$2,000 in situations where the Davis-Bacon Act also applies. It DOES NOT apply to the FEMA Public Assistance Program.
- c. Requirements. If applicable, the non-federal entity must include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations at 29 C.F.R. Part 3 (Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States). Each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to FEMA. Additionally, in accordance with the regulation, each contractor and subcontractor must furnish each week a statement with respect to the wages paid each of its employees engaged in work covered by the Copeland Anti-Kickback Act and the Davis Bacon Act during the preceding weekly payroll period. The report shall be delivered by the contractor or subcontractor, within seven days after the regular payment date of the payroll period, to a representative of a Federal or State agency in charge at the site of the building or work.

Sample Language. The following provides a sample contract clause:

Compliance with the Copeland “Anti-Kickback” Act.

- a. Contractor. The contractor shall comply with 18 U.S.C. §874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.
- b. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

- c. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. §5.12.”

6. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

- a. Standard. Where applicable (see 40 U.S.C. §§ 3701-3708), all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II(E). Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Further, no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous.
- b. Applicability. This requirement applies to all FEMA contracts awarded by the non- federal entity in excess of \$100,000 under grant and cooperative agreement programs that involve the employment of mechanics or laborers. It is applicable to construction work. These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- c. Suggested Language. The regulation at 29 C.F.R. § 5.5(b) provides contract clause language concerning compliance with the Contract Work Hours and Safety Standards Act. FEMA suggests including the following contract clause:

Compliance with the Contract Work Hours and Safety Standards Act.

(1) *Overtime requirements*. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages*. In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of

\$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) *Withholding for unpaid wages and liquidated damages*. The Federal agency or

loan/grant recipient shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

7. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

- a.** Standard. If the FEMA award meets the definition of “funding agreement” under 37 C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the non-Federal entity must comply with the requirements of 37 C.F.R. Part 401 (Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements), and any implementing regulations issued by FEMA. See 2 C.F.R. Part 200, Appendix II(F).
- b.** Applicability. This requirement applies to “*funding agreements*,” but it DOES NOT apply to the Public Assistance, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households – Other Needs Assistance Grant Program, as FEMA awards under these programs do not meet the definition of “funding agreement.”
- c.** Funding Agreements Definition. The regulation at 37 C.F.R. § 401.2(a) defines “funding agreement” as any contract, grant, or cooperative agreement entered into between any Federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the Federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.

8. CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

- a.** Standard. If applicable, contracts must contain a provision that requires the contractor to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. §§ 7401-7671q.) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251-1387). Violations must be reported to FEMA and the Regional Office of the Environmental Protection Agency. See 2 C.F.R. Part 200, Appendix II(G).

- b. Applicability. This requirement applies to contracts awarded by a non-federal entity of amounts in excess of \$150,000 under a federal grant.
- c. Suggested Language. The following provides a sample contract clause.

Clean Air Act

1. The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.
2. The contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
3. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

1. The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.
2. The contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
3. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

9. DEBARMENT AND SUSPENSION

- a. Standard. Non-Federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and Suspension* (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Non-procurement Debarment and Suspension).
- b. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs.
- c. Requirements.

- i. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities. See 2 C.F.R. Part 200, Appendix II(H); and 2 C.F.R. § 200.213. A contract award must not be made to parties listed in the SAM Exclusions. SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. See 2 C.F.R. § 180.530.
- ii. In general, an “excluded” party cannot receive a Federal grant award or a contract within the meaning of a “covered transaction,” to include subawards and subcontracts. This includes parties that receive Federal funding indirectly, such as contractors to recipients and subrecipients. The key to the exclusion is whether there is a “covered transaction,” which is any non-procurement transaction (unless excepted) at either a “primary” or “secondary” tier. Although “covered transactions” do not include contracts awarded by the Federal Government for purposes of the non-procurement common rule and DHS’s implementing regulations, it does include some contracts awarded by recipients and subrecipients.
- iii. Specifically, a covered transaction includes the following contracts for goods or services:
 - 1. The contract is awarded by a recipient or subrecipient in the amount of at least \$25,000.
 - 2. The contract requires the approval of FEMA, regardless of amount.
 - 3. The contract is for federally-required auditservices.
 - 4. A subcontract is also a covered transaction if it is awarded by the contractor of a recipient or subrecipient and requires either the approval of FEMA or is in excess of \$25,000.
- d. Suggested Language. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified.

Suspension and Debarment

- (1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such, the contractor is required to verify that none of the contractor’s principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
- (2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
- (3) This certification is a material representation of fact relied upon by the Participating

Public Agency. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Participating Public Agency, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

- (4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

10. BYRD ANTI-LOBBYING AMENDMENT

- a. Standard. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. FEMA's regulation at 44 C.F.R. Part 18 implements the requirements of 31 U.S.C. § 1352 and provides, in Appendix A to Part 18, a copy of the certification that is required to be completed by each entity as described in 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the Federal awarding agency.
- b. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs. Contractors that apply or bid for a contract of \$100,000 or more under a federal grant must file the required certification. See 2 C.F.R. Part 200, Appendix II(I); 31 U.S.C. § 1352; and 44 C.F.R. Part 18.
- c. Suggested Language.

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.

- d. Required Certification. If applicable, contractors must sign and submit to the non-federal entity the following certification.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The Contractor, Harrell's, LLC, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

11. PROCUREMENT OF RECOVERED MATERIALS

- a. Standard. A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. See 2 C.F.R. Part 200, Appendix II(J); and 2 C.F.R. §200.322.
- b. Applicability. This requirement applies to all contracts awarded by a non- federal entity under FEMA grant and cooperative agreement programs.
- c. Requirements. The requirements of Section 6002 include procuring only items designated in guidelines of the EPA at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
- d. Suggested Language.
 - i. In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired—
 1. Competitively within a timeframe providing for compliance with the contract performance schedule;
 2. Meeting contract performance requirements; or
 3. At a reasonable price.
 - ii. Information about this requirement, along with the list of EPA- designated items, is available at EPA’s Comprehensive Procurement Guidelines web site, <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.
 - iii. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.”

12. DOMESTIC PREFERENCES FOR PROCUREMENTS

As appropriate, and to the extent consistent with law, CONTRACTOR should, to the greatest extent practicable under a federal award, provide a preference for the purchase, acquisition, or use of goods, products or materials produced in the United States. This includes, but is not limited to, iron, aluminum, steel, cement, and other manufactured products.

Applicability For purchases in support of FEMA declarations and awards issued on or after November 12, 2020, all FEMA recipients and subrecipients are required to include in all contracts and purchase orders for work or products a contract provision encouraging domestic preference for procurements.

Domestic Preference for Procurements As appropriate, and to the extent consistent with law, the contractor should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products. For purposes of this clause: Produced in the United States means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. Manufactured products mean items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.”

13. ACCESS TO RECORDS

- a. Standard. All recipients, subrecipients, successors, transferees, and assignees must acknowledge and agree to comply with applicable provisions governing DHS access to records, accounts, documents, information, facilities, and staff. Recipients must give DHS/FEMA access to, and the right to examine and copy, records, accounts, and other documents and sources of information related to the federal financial assistance award and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by DHS regulations *and* other applicable laws or program guidance. See DHS Standard Terms and Conditions: Version 8.1 (2018). Additionally, Section 1225 of the Disaster Recovery Reform Act of 2018 prohibits FEMA from providing reimbursement to any state, local, tribal, or territorial government, or private non-profit for activities made pursuant to a contract that purports to prohibit audits or internal reviews by the FEMA administrator or Comptroller General.

Access to Records. The following access to records requirements apply to this contract:

- i. The Contractor agrees to provide Participating Public Agency, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.
- ii. The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.
- iii. The Contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract.
- iv. In compliance with the Disaster Recovery Act of 2018, the Participating Public Agency and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

14. CHANGES

- a. Standard. To be eligible for FEMA assistance under the non-Federal entity's FEMA grant or cooperative agreement, the cost of the change, modification, change order, or constructive change must be allowable, allocable, within the scope of its grant or cooperative agreement, and reasonable for the completion of project scope.
- b. Applicability. FEMA recommends, therefore, that a non-Federal entity include a changes clause in its contract that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the contract. The language of the clause may differ depending on the nature of the contract and the end-item procured.

15. DHS SEAL, LOGO, AND FLAGS

- a. Standard. Recipients must obtain permission prior to using the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials. See DHS Standard Terms and Conditions: Version 8.1 (2018).
- b. Applicability. FEMA recommends that all non-Federal entities place in their contracts a provision that a contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval.
- c. "The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval.

16. COMPLIANCE WITH FEDERAL LAW, REGULATIONS, AND EXECUTIVE ORDERS

- a. Standard. The recipient and its contractors are required to comply with all Federal laws, regulations, and executive orders.
- b. Applicability. FEMA recommends that all non-Federal entities place into their contracts an acknowledgement that FEMA financial assistance will be used to fund the contract along with the requirement that the contractor will comply with all applicable Federal law, regulations, executive orders, and FEMA policies, procedures, and directives.
- c. "This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the contract. The contractor will comply with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives."

17. NO OBLIGATION BY FEDERAL GOVERNMENT

- a. Standard. FEMA is not a party to any transaction between the recipient and its contractor. FEMA is not subject to any obligations or liable to any party for any matter relating to the contract.
- b. Applicability. FEMA recommends that the non-Federal entity include a provision in its contract that states that the Federal Government is not a party to the contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.
- c. "The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract."

18. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS

- a. Standard. Recipients must comply with the requirements of The False Claims Act (31 U.S.C. §§ 3729-3733) which prohibits the submission of false or fraudulent claims for payment to the federal government. See DHS Standard Terms and Conditions: Version 8.1 (2018); and 31 U.S.C. §§ 3801-3812, which details the administrative remedies for false claims and statements made. The non-Federal entity must include a provision in its contract that the contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to its actions pertaining to the contract.
- b. Applicability. FEMA recommends that the non-Federal entity include a provision in its contract that the contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to its actions pertaining to the contract.
- c. "The Contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this contract."
- d. In the event FTA or DOT funding is used by a Participating Public Agency, Contractor further acknowledges U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR Part 31, and apply to its actions pertaining to this Contract. Upon execution of the underlying Contract, Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying Contract or the FTA assisted project for which this Contract Work is being performed.

In addition to other penalties that may be applicable, Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Contractor to the extent the Federal Government deems

appropriate.

Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307 (n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

Contractor agrees to include the above clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

Offeror agrees to comply with all terms and conditions outlined in the FEMA Special Conditions section of this solicitation.

Offeror's Name: Harrell's, LLC

Address, City, State, and Zip Code:
5105 New Tampa Hwy, Lakeland, FL 33815

P.L. 1995, c. 127 (N.J.A.C. 17:27)
MANDATORY AFFIRMATIVE ACTION LANGUAGE

PROCUREMENT, PROFESSIONAL AND SERVICE
CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

Signature of Procurement Agent

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
 Required Pursuant to N.J.S.A. 19:44A-20.26

**This form or its permitted facsimile must be submitted to the local unit
 no later than 10 days prior to the award of the contract.**

DISCLOSURE OF INVESTMENT ACTIVITIES IN IRAN, RUSSIA AND BELARUS
N.J.S.A. 52:32-57, et seq. (P.L. 2012, c.25 and P.L. 2021, c.4) and N.J.S.A. 52:32-60.1

Pursuant to N.J.S.A. 52:32-57, et seq. (P.L. 2012, c.25 and P.L. 2021, c.4) and N.J.S.A. 52:32-60.1 any person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract must certify that neither the person nor entity, nor any of its parents, subsidiaries, or affiliates, is identified on the New Jersey Department of the Treasury's Chapter 25 List as a person or entity engaged in investment activities in Iran, Russia or Belarus. The Chapter 25 list is found on the Division's website at <https://www.state.nj.us/treasury/purchase/>. Vendors/Bidders must review this list prior to completing the below certification. If the Qualified Purchasing Agent of the Atlantic County Utilities Authority finds a person or entity to be in violation of the law, he shall take action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party.

CHECK THE APPROPRIATE BOX

I certify, pursuant to N.J.S.A. 52:32-57, et seq. (P.L. 2012, c.25 and P.L. 2021, c.4), and N.J.S.A. 52:32-60.1 that neither the Vendor/Bidder listed above nor any of its parents, subsidiaries, or affiliates is listed on the New Jersey Department of the Treasury's Chapter 25 List of entities determined to be engaged in prohibited activities in Iran, Russia or Belarus.

OR

I am unable to certify as above because the Vendor/Bidder and/or one or more of its parents, subsidiaries, or affiliates is listed on the New Jersey Department of the Treasury's Chapter 25 List. I will provide a detailed, accurate and precise description of the activities of the Vendor/Bidder, or one of its parents, subsidiaries or affiliates, has engaged in regarding investment activities in Iran by completing the information requested below.

Entity Engaged in Investment Activities _____

Relationship to Vendor/ Bidder _____

Description of Activities _____

Duration of Engagement _____

Anticipated Cessation Date _____

Attach Additional Sheets If Necessary.

CERTIFICATION

I, the undersigned, certify that I am authorized to execute this certification on behalf of the Vendor, that the foregoing information and any attachments hereto, to the best of my knowledge are true and complete. I acknowledge that the ACUA is relying on the information contained herein, and that the Vendor is under a continuing obligation from the date of this certification through the completion of any contract(s) with the ACUA to notify the Qualified Purchasing Agent in writing of any changes to the information contained herein; that I am aware that it is a criminal offense to make a false statement or misrepresentation in this certification. If I do so, I will be subject to criminal prosecution under the law, and it will constitute a material breach of my agreement(s) with the ACUA, I am permitting the ACUA to declare any contract(s) resulting from this certification void and unenforceable.

TRENTON, NEW JERSEY 08625-0230

MACBRIDE PRINCIPALS FORM

BID SOLICITATION #: RFP-RH-23-037

VENDOR/BIDDER: Harrell's, LLC

**VENDOR'S/BIDDER'S REQUIREMENT
TO PROVIDE A CERTIFICATION IN COMPLIANCE WITH THE MACBRIDE PRINCIPALS
AND NORTHERN IRELAND ACT OF 1989**

Pursuant to Public Law 1995, c. 134, a responsible Vendor/Bidder selected, after public bidding, by the Director of the Division of Purchase and Property, pursuant to N.J.S.A. 52:34-12, must complete the certification below by checking one of the two options listed below and signing where indicated. If a Vendor/Bidder that would otherwise be awarded a purchase, contract or agreement does not complete the certification, then the Director may determine, in accordance with applicable law and rules, that it is in the best interest of the State to award the purchase, contract or agreement to another Vendor/Bidder that has completed the certification and has submitted a bid within five (5) percent of the most advantageous bid. If the Director finds contractors to be in violation of the principals that are the subject of this law, he/she shall take such action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party.

I, the undersigned, on behalf the Vendor/Bidder, certify pursuant to N.J.S.A. 52:34-12.2 that:

CHECK THE APPROPRIATE BOX

The Vendor/Bidder has no business operations in Northern Ireland; or

OR

The Vendor/Bidder will take lawful steps in good faith to conduct any business operations it has in Northern Ireland in accordance with the MacBride principals of nondiscrimination in employment as set forth in section 2 of P.L. 1987, c. 177 (N.J.S.A. 52:18A-89.5) and in conformance with the United Kingdom's Fair Employment (Northern Ireland) Act of 1989, and permit independent monitoring of its compliance with those principals.

CERTIFICATION

I, the undersigned, certify that I am authorized to execute this certification on behalf of the Vendor/Bidder, that the foregoing information and any attachments hereto, to the best of my knowledge are true and complete. I acknowledge that the State of New Jersey is relying on the information contained herein, and that the Vendor/Bidder is under a continuing obligation from the date of this certification through the completion of any contract(s) with the State to notify the State in writing of any changes to the information contained herein; that I am aware that it is a criminal offense to make a false statement or misrepresentation in this certification. If I do so, I will be subject to criminal prosecution under the law, and it will constitute a material breach of my agreement(s) with the State, permitting the State to declare any contract(s) resulting from this certification to be void and unenforceable.

SEED TECH SHEETS

Kentucky Bluegrass

JUMP START

THE FOUNDATION OF EXCELLENCE

A research first approach of perfecting turfgrass performance.

Variety information

Description:

Jump Start is a quick establishing elite Kentucky bluegrass. It is a Unique/America hybrid with a medium dark green color, medium fine texture and good density. It has good heat tolerance, moderate drought tolerance, stays green longer than most other bluegrasses, and has quick recovery after drought and summer stress. Jump Start has great early spring green up and is resistant to billbugs, summer patch syndrome, powdery mildew, red thread, leaf spot, dollar spot, leaf rust, stripe smut, stem rust, pink snow mold and typhula blight.

Applications:

With its quick germination and establishment, Jump Start is great for sports turf use especially for overseeding existing turf areas between games on athletic fields. Jump Start has good traffic tolerance because of its high density enabling quick recovery after traffic events. Sod farm production, golf course fairways and roughs, and commercial landscaping are several other uses. Jump Start has good traffic tolerance because of its high density, enabling quick recovery after games.

Geographical Adaption:

Jump Start is adapted to the cool season zone and does well in the northern and transition zone where Kentucky bluegrasses are used. It can be seeded at 2-3lbs /1000sq. ft.(125kg/ha) during early fall or spring. Fertilize at 3-4lb N/1000sq.ft./year (170kg/ha).

PRODUCT FEATURES

Speed of establishment	● ● ● ● ●
Drought Tolerance	● ● ● ● ●
Spring green-up	● ● ● ● ●

THE FOUNDATION OF EXCELLENCE
 A research first approach of perfecting turfgrass performance.

Variety information

Description:

Rain Dance tall fescue was developed by Pure-Seed Testing, Inc. It is a dark green cultivar that was selected for salt tolerance. Rain Dance has shown excellent drought tolerance and summer turf performance. Rain Dance is tolerant to brown patch, gray leaf spot, net blotch, stem rust, and crown rust.

Applications:

Rain Dance is adapted for lawns, golf course roughs, cemeteries, parks, sod production, sports fields, roadsides and slope stabilization. Its drought tolerance makes Rain Dance especially well-suited for residential or commercial lawns and low-maintenance turf areas. RainDance performs well in sun or shade.

Geographical Adaption:

Rain Dance performs well in the Transition Zone and temperate climates. It is adapted to a wide range of soil types and pH. Recommended seeding rate is 5-8 lb/1000 ft² (245-390 kg/ha). Fertilize at 3-5 lb N/1000 ft²/yr (145-245 kg/ha); mow at 1.5-3.0" (4-8 cm); irrigate deeply and infrequently.

2010 CTBT Trial in Albany, OR (Cooperator Kenneth Hignight). Confidence intervals (95%) for the amount of moisture lost to evapotranspiration after irrigation is withheld before selections (10CTFA12 data set) reach 75, 50, and 25% green cover. Selections are ranked based on their ET₅₀ values.

Tall Fescue

SALTILLO

THE FOUNDATION OF EXCELLENCE

A research first approach of perfecting turfgrass performance.

Variety information

Description:

Salttillo tall fescue was developed by Pure-Seed Testing, Inc. It is a dark green cultivar with excellent summer turf performance. Salttillo was selected for salt tolerance and brown patch resistance. Salttillo has very good heat tolerance and resistance to brown patch, gray leaf spot, net blotch, stem rust, and crown rust.

Applications:

Salttillo is adapted for lawns, golf course roughs, cemeteries, parks, sod production, sports fields, roadsides and slope stabilization. Its drought tolerance makes Salttillo especially well-suited for residential or commercial lawns and low-maintenance turf areas. Salttillo performs well in sun or shade

Geographical Adaption:

Salttillo performs well in the Transition Zone and temperate climates. It is adapted to a wide range of soil types and pH. Recommended seeding rate is 5-8 lb/1000 ft² (245-390 kg/ha). Fertilize at 3-5 lb N/1000 ft²/yr (145-245 kg/ha); mow at 1.5-3.0" (4-8 cm); irrigate deeply and infrequently.

Entries within this table are ordered by the overall mean and have similar turf quality performances in all test locations included in this LPI group. If your state is not represented, then choose a LPI group that contains a location and management similar to your planting conditions. For more information on LPI, go to www.ntep.org/lpi_q&a.pdf; 19 = ideal

Tall Fescue

SALTILLO

THE FOUNDATION OF EXCELLENCE

A research first approach of perfecting turfgrass performance.

Variety information

Description:

Salttillo tall fescue was developed by Pure-Seed Testing, Inc. It is a dark green cultivar with excellent summer turf performance. Salttillo was selected for salt tolerance and brown patch resistance. Salttillo has very good heat tolerance and resistance to brown patch, gray leaf spot, net blotch, stem rust, and crown rust.

Applications:

Salttillo is adapted for lawns, golf course roughs, cemeteries, parks, sod production, sports fields, roadsides and slope stabilization. Its drought tolerance makes Salttillo especially well-suited for residential or commercial lawns and low-maintenance turf areas. Salttillo performs well in sun or shade

Geographical Adaption:

Salttillo performs well in the Transition Zone and temperate climates. It is adapted to a wide range of soil types and pH. Recommended seeding rate is 5-8 lb/1000 ft² (245-390 kg/ha). Fertilize at 3-5 lb N/1000 ft²/yr (145-245 kg/ha); mow at 1.5-3.0" (4-8 cm); irrigate deeply and infrequently.

THE FOUNDATION OF EXCELLENCE
 A research first approach of perfecting turfgrass performance.

Variety information

Description:

Rain Dance tall fescue was developed by Pure-Seed Testing, Inc. It is a dark green cultivar that was selected for salt tolerance. Rain Dance has shown excellent drought tolerance and summer turf performance. Rain Dance is tolerant to brown patch, gray leaf spot, net blotch, stem rust, and crown rust.

Applications:

Rain Dance is adapted for lawns, golf course roughs, cemeteries, parks, sod production, sports fields, roadsides and slope stabilization. Its drought tolerance makes Rain Dance especially well-suited for residential or commercial lawns and low-maintenance turf areas. RainDance performs well in sun or shade.

Geographical Adaption:

Rain Dance performs well in the Transition Zone and temperate climates. It is adapted to a wide range of soil types and pH. Recommended seeding rate is 5-8 lb/1000 ft² (245-390 kg/ha). Fertilize at 3-5 lb N/1000 ft²/yr (145-245 kg/ha); mow at 1.5-3.0" (4-8 cm); irrigate deeply and infrequently.

SUSTAINABILITY POLICY

CORPORATE SUSTAINABILITY POLICY

I. Purpose and Scope

Harrell's, LLC employs this policy to define the fundamental principles for its commitment to the well-being of its employees, customers, communities, and the environment, uphold the Company's Core Values and Four Pillars, and comply with applicable law.

This policy applies to any and all employees, consultants, contractors, temporary employees, vendors, and agents of Harrell's.

II. Policy

1. Harrell's, LLC is committed to Growing a Better World® through developing and commercializing products to reduce the environmental impact of the markets we serve. Harrell's® commitment to the environment is showcased in these ways:
 - a. Manufacturing and distributing of POLYON® Controlled Release Fertilizer, an industry-leading solution for lowering environmental nutrient pollution.
 - b. Educating end-users on best management practices to encourage efficient product use and reduce product waste.
 - c. Developing novel biostimulant technologies to enhance plant function in an environmentally sustainable way.
 - d. Membership in industry organizations such as Responsible Industry for a Sound Environment (RISE), The Fertilizer Institute (TFI), and The Environmental Institute for Golf, and the Lawn & Horticultural Products Work Group (LHPWG).
2. Harrell's, LLC is committed to conducting its operations with the highest level of integrity. As a part of this commitment, Harrell's strictly prohibits its employees, consultants, contractors, temporary employees, vendors, and agents from:
 - a. using any form of forced, indentured, or trafficked labor,
 - b. allowing any form of forced, indentured, or trafficked labor in their supply chains,
 - c. failing to pay their employees in amounts equal to or in excess of the applicable minimum wage rate,
 - d. destroying, concealing, or confiscating an employee's identity or immigration documents, such as passports or driver's licenses,
 - e. using recruiters that do not comply with local labor laws of the country in which the recruiting takes place, and
 - f. charging employees recruitment fees.

Lakeland, FL 33815

863.687.2774

800.282.8007

contact@harrells.com

www.harrells.com

Moreover, Harrell's is committed to ensuring that its employees and all its subcontractors and agents are provided with safe and healthy workplaces in compliance with all local, state, and federal ordinances, laws, and regulations.

3. Harrell's, LLC operations teams practice sustainable manufacturing by producing products through economically sound processes that minimize negative environmental impacts while conserving energy and natural resources. A focus on increasing safety for employees, vendors, and local communities and the security of our product drives our sustainability efforts. Sustainable manufacturing includes:
 - a. Avoiding causing harm to the local environment
 - b. Reducing pollution and emissions
 - c. Cutting waste of raw materials and other resources
 - d. Reducing consumption of energy, water, and other limited substances
 - e. Increasing safety for workers and nearby communities
 - f. Protecting our products from misuse or divisive behavior

III. Responsibilities

Harrell's, LLC's employees, consultants, contractors, temporary employees, vendors, and agents are responsible for understanding and complying with this Policy. Any violation or perceived violation of this Policy will be reported to a member of the Senior Leadership Team as soon as possible. It is the responsibility of the Senior Leadership Team to review this Policy on an annual basis.

IV. Violations

Any violation of this policy may result in disciplinary action, up to and including termination of employment or termination of vendor/agent agreement. This document shall not be construed to represent a contract of employment between the Company and any user or third party.

V. Questions and Concerns

Questions and concerns may be directed to Ella Kimbrel, Senior Vice President, Human Resources, at ekimbrel@harrells.com.

Jack R. Harrell, Jr.
CEO
